

GHC MyChartSM

Connect to better health

We believe that when you are empowered with tools that make your life easier and better, you can focus on what really matters – your health. That’s why we offer you an online GHCMYChartSM account.

FEATURES

-  schedule appointments
schedule medical appointments anytime
-  refill medications
a medication history list makes refill requests easy
-  message with us
securely message with your Care Team, member services, and others
-  view lab test results
fast & confidential results so you don't have to wait
-  GHCFamilyChart
schedule appointments, refill medications, and more on behalf of a family member

PLUS Additional features!

You and your interactive GHCMYChartSM account are Better Together! Other features include access to: interactive health tools from WebMD®, online bill pay where you can view your account balance and safely pay your bill, order your contact lenses, MyChart Central (create a single sign on for MyChart accounts from multiple health care organizations), view/print immunization records and appointment health summaries, insurance benefit information, and much more.

ACTIVATE YOUR ACCOUNT

1. Visit ghcscw.com and select “Register” under the GHCMYChartSM login section.
2. Complete the online information form. For security purposes, you will be sent an activation code that you must use to continue activating your account. *Choose to have your activation sent to you by email or US Postal mail.*
3. Visit ghcscw.com and select “Register” under the GHCMYChartSM login section and follow the prompts to activate your GHCMYChartSM account.

GET THE APP

View appointments, message your Provider, get test results, and more – all from your iPhone or Android device. Just search and download the MyChart app at no cost to you.

To use the MyChart app on your smartphone, you must first activate your online GHCMYChartSM account. Standard data rates from your phone provider apply.

Eligibility: Members must be at least 18 years old to request an account. Features listed are available to members who receive care at GHC-SCW-owned clinics, including Capitol, DeForest, East, Hatchery Hill, Madison College Community Clinic, and Sauk Trails. Members who receive care at other clinics may have fewer features available.
