		56	\$ 79,960	56	\$ 87,207		
		57	\$ 80,574	57	\$ 87,923		
		58	\$ 81,188	58	\$ 88,641		
		59	\$ 81,803	59	\$ 89,357		
		60	\$ 82,417				
		61	\$ 83,031				

Note:

Teachers eligible to move more than one lane can move one column per year for two years with column percentage increases each year "rounded up" for step placement or can move directly to the highest column for which they are eligible and receive the percentage increase for that column "rounded up" for step placement; whichever is more beneficial to teacher.
