

The Verona Area School District Board of Education believes EVERY student MUST be successful.

How will we know?

- Every student in VASD has a personalized learning plan that provides a path to discovery and achievement and that plan is reviewed and changed at least annually based on the student's needs
- Every student's parent, guardian or advocate participates directly in the design, implementation, and outcomes of that student's personalized learning plans
- Every student meets or exceeds the goals of his or her personalized learning plan every school year
- Every VAHS student graduates
- Every graduate achieves their choice of college and career path, as detailed in their personalized learning plan
