How will we know when we've achieved our mission?

- Every student in VASD has a personalized learning plan that provides a path to discovery and achievement and that plan is reviewed and changed at least annually based on the student's needs.
- Every student's parent, guardian or advocate participates directly in the design, implementation, and outcomes of that student's personalized learning plans.
- Every student meets or exceeds the goals of his or her personalized learning plan every school year.
- Every Verona Area High School student graduates.
