

## Alert on Changes to Your Neighborhood Attendance Area School

The Verona Area School District Board of Education recently made a decision on a means to control the overcrowding at Glacier Edge Elementary, which is the current neighborhood attendance school for most households receiving this card. Moving forward, elementary students in grades K-5 new to Glacier Edge (meaning no prior experience or siblings in Glacier Edge) will instead attend Country View Elementary School if they live in or move to the area bounded to the west by Hwy 69, to the north by Hwy M (starting at Range Trail road) and all points south and east of those roads (including Shady Bend). Please visit <http://goo.gl/jhFEIz> to see a map of this area. A high quality, detailed map is being developed and will be shared on our website homepage, [www.verona.k12.wi.us](http://www.verona.k12.wi.us), upon completion. There you will also find a question & answer list for more information.

Students who fit this description will be assigned to Country View until a new school is built in the area or other boundary adjustments are made. Also, students in that area who apply and are chosen through the lottery for the Two Way Immersion (TWI) program will be placed in Sugar Creek Elementary School for their TWI program. The Board still has decisions to make on placement of the Verona Area International School and which elementary school to assign the Quarry Vista neighborhood (corner of Lacy and Fitchrona).

For additional questions, please contact superintendent Dean Gorrell at [gorrelld@verona.k12.wi.us](mailto:gorrelld@verona.k12.wi.us) or 845-4310 . We are honored you chose the Verona Area School District for your child(ren).
