Remodel/Renovation Dates Coming...

As we share regular updates on the new high school building project, we are also anxious to move to the next phase in our remodeling and renovation project. Upcoming dates of the building changes are shared below as the Building for 2020 campaign includes the 'lift and shift' of six schools:

- Current high school moves to the new high school site
- Badger Ridge Middle School and Core Knowledge Charter School will move into the current High School main building
- New Century Charter School and Verona Area International School will move into the K-wing of the High School
- Sugar Creek Elementary will move into the current Badger Ridge Middle School/Core Knowledge Charter School building
- Current Sugar Creek Elementary and New Century Charter School buildings will close

Existing Badger Ridge/Core Knowledge Charter School (New Sugar Creek)

March 25 to June 10 – Work in mechanical spaces and exterior concrete pad for new equipment, with no impact to classrooms.

Before June 10: Staff in various classrooms and other areas of the school have been instructed to remove items as they receive new walls, ceiling and flooring, while others receive new entry doors to improve security.

June 10 to August 2: Main school/classroom area closed for construction.

June 10 to July 8: Gym closed for HVAC work. Reopened for use the week of July 8.

June 10 to July 22: Front office area under construction. No access to offices.

Stoner Prairie/Verona Area International School

March 25 to March 29: Set new mechanical units on roof, with minor exterior impact.

March 25 to June 10: Work in mechanical spaces, with no impact to classrooms.

Spring: Gym HVAC equipment work will be completed and functional for this upcoming summer.

Immediately at start of summer vacation: Front office will be relocated for a period of time before moving back to the original location later in summer.

*See attached floor plans for color references

June 10 to August 2: Main School/Classroom area closed for construction. Gym will still be accessible for use.

Existing Verona Area High School (New Badger Ridge/Core Knowledge Charter School)

Immediately at start of summer vacation: Tech Ed Storage Rooms will be cleared out for door relocation.

Week of July 8: Enlarging doorways to rooms A05 & A35 for mechanical equipment. There will be temporary partitions put up in those areas.
