

OPTION E5 (7.10.19 Variation)

Projected Elementary and Middle School Diversity and Enrollment

Projected Elementary School Diversity

(in 2025, based on Sept. 2018 resident student data)

Elementary School	Free & Reduced Lunch	English Language Learners	Students of Color
Country View	24%	9%	36%
Glacier Edge	31%	28%	38%
Stoner Prairie	26%	15%	38%
Sugar Creek	24%	16%	30%

Projected Middle School Diversity

(in 2025, based on Sept. 2018 resident student data)

Middle School	Free & Reduced Lunch	English Language Learners	Students of Color
Badger Ridge	21%	13%	29%
Savanna Oaks	26%	10%	37%

Projected Elementary School Enrollment

(assuming constant charter and TWI enrollment & no grandfathering)

Elementary School	Sept. 2018	2020	2025	2030	Building Capacity
Country View	521	517	620	661	536
Glacier Edge	592	496	501	490	427
Stoner Prairie	361	371	516	640	489
Sugar Creek	518	689	788	888	723

Red bolded text means that projection is over functional building capacity

Projected Middle School Enrollment

(assuming constant charter and 6-8 TWI enrollment & no grandfathering)

School Building	Sept. 2018	2020	2025	2030	Building Capacity
New BR/CK Building	906	1,119	1,277	1,323	1,411
Badger Ridge MS	490	701	858	903	
Core Knowledge	416	418	418	418	
Savanna Oaks MS	562	412	437	524	726

Blue bolded text suggests a potential enrollment vs. capacity issue

Other Statistics

- ~19% of non-TWI/charter elementary students change schools if the adjustment occurred today (compared to ~12% in original Option E)
- ~52% of elementary students attend closest school (compared to ~54% in original Option E)
