Employee Acknowledgment

To be signed and returned to District Human Resources

I hereby acknowledge that it is my responsibility to become familiar with the contents of the Verona Area School District (District) Employee Handbook. My signature below indicates that I have read the Handbook and understand that I am expected to abide by the standards, policies and procedures defined or referenced in this document. I also understand that I am also to become familiar with and abide by the additional regulations, policies and laws found in the District School Board policies. The Employee Handbook and other School Board policies can be found on the District’s website at www.verona.k12.wi.us. This handbook is part of School Board policy. As with any School Board policy, the information contained in this Handbook is subject to change. As the District provides updated policy information, I accept responsibility for reading and understand the expectation that I abide by the changes.

I understand that this Handbook does not constitute an employment contract. For those employees covered by Part II, I understand that nothing in this Handbook is intended to confer a property interest in my continued employment with the District beyond the term of my current contract (if any). I understand that I have an obligation to inform my supervisor and Human Resources of any changes in my personal information, such as phone number, address, etc. I also accept responsibility for contacting my supervisor if I have any questions, concerns or need further explanation regarding this Handbook, any Board policies or regarding any aspect of my employment. My signature on this form is acknowledgment that I agree that I am legally responsible for any fines or fees charged to the school District incurred by me (an example may be a traffic citation or a parking ticket received as a result of my operation of a District motor vehicle). I also agree that the District may withhold liquidated damages fees for breach of contract if I leave my employment without paying the fee or without prior approval. If any contractual relationship between the District and an employee (or group of employees) conflicts with any provision of this Handbook, the contract shall govern with respect to that issue.

I understand that this Employee Handbook replaces any and all prior verbal and written communications regarding the Verona Area School District’s working conditions, policies, procedures, appeal processes, and benefits.

Verona Area School District Strategic Pillars

**Pillar 1: Authentic Relationships**

Authentic relationships are developed by: creating a welcoming environment for students, staff, families, and the community; nurturing open, trusting relationships; practicing mutual respect; and engaging in pro-active communication. We encourage family and community engagement in every school, seek innovative ways to encourage culturally-responsive collaboration - within and outside of VASD, and embrace a "We Are In This Together" environment for students, staff, families, and community members that supports a shared responsibility for student success.

**Pillar 2: Equitable Allocation of Resources**

Resource allocation (money, time, people and space) is about priorities. VASD has identified student needs and access to opportunity as resource allocation priorities. We use data to determine the greatest areas of need and focus, and we allocate resources to increase access to opportunity based on student needs in a way that is transparent, easily understood, and measurable. All resource allocation decisions are viewed through the lens of the Equity Framework.

**Pillar 3: High Expectations for Every Student**

We have high expectations for individual student growth and utilize data to determine whether we are providing rigorous and relevant programs - and the necessary supports for success - for every student. Specific, measurable, academic and social-emotional benchmarks across the PreK-12 continuum are in place, to ensure every student is prepared for post-secondary success.

**Pillar 4: Safe, Inclusive Learning Environment**

Everyone has a place in our schools, feels valued and is safe. Learning environments are culturally-responsive, inclusive and have systems of support that ensure physical, emotional, and social safety for all members of our school community.

**Pillar 5: Supporting and Empowering Staff**

Staff voice, engagement, and success is integral to implementation of the district’s mission and goals. Our governance and continuous improvement model and Equity Framework empower and guide staff. Through our system of supports, staff feel valued, appreciated, have high expectations for themselves, and have built organizational trust. All staff have clear performance expectations that drive evaluation, professional development, and accountability. Systems are in place to support recruitment, retention, and succession planning.
District Emergency Procedures

A. **School Safety**
   Maintaining a safe and secure educational environment is the responsibility of every employee. Quality instruction cannot occur unless students first feel safe while at school. It is the responsibility of every employee of the District to understand and follow the District Safety Plans. These plans can be viewed by employees on the VASD Intranet. [VASD Policy 720](#)

1. **Identification Badges:** All employees, while carrying out their employment duties, shall display identification badges in plain view. Badges must be worn on a lanyard around the neck or in some other fashion above the waist. [VASD Policy 731.2](#)

2. **Emergency Plans:** All employees are expected to know and follow the emergency plans in place for each building. Each employee should know who the members of your site’s Building Emergency Response Team (BERT). In the event of an emergency, staff should call “911”, report the emergency, then notify building administration. BERT team contact information can be viewed by employees on the VASD Intranet.

3. **Door Access:** Staff must maintain the physical integrity of our schools. All doors except the main entrance and/or other exits designated by the District as monitored entrances must remain locked during the school day. Unlocking or propping open doors that are to remain closed are prohibited.

4. **Crisis Communication:** In the event of a crisis, the Superintendent shall act as the District’s spokesperson. In the absence of the Superintendent, the appointed designee shall serve as spokesperson. No other employees are authorized to share any information with the media. [VASD Policy 821.1](#)

SECTION 2. EMPLOYMENT LAW

2.01 Employment of Minors
No one under eighteen (18) years of age will be employed without providing proper proof of his or her age. Minors will be employed only in accordance with state and federal laws and District policies. All employees under the age of 16 must have a work permit on file with the District before beginning their employment. Pursuant to state law, employees required to obtain a work permit will be reimbursed by the employer for the cost of the work permit fee.

2.02 Equal Opportunity
The Verona Area School District is an equal opportunity employer. Personnel hiring and administration in the District shall be conducted so as not to discriminate against applicant or employee on the basis of age, race, religion, sex or sexual orientation, gender identity, marital status, national origin, disability or handicap, creed, color, political affiliation, pregnancy, citizenship, ancestry, arrest record, conviction record not substantially related to a person's job or activity in the school, membership in the national guard, state defense force or any other United States or Wisconsin reserve component of the military forces, use or nonuse of lawful products off school premises during non-working hours, or any other reason prohibited by state or federal law.

The District carefully and systematically examines all employment policies and practices to be sure they do not either purposely or inadvertently operate to the detriment of any persons.

Reasonable accommodations shall be made for qualified individuals with a disability or handicap, unless such accommodations would impose an undue hardship to the District. A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities. Requests for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act from current employees must be made in writing in accordance with District policy. VASD Policy 511
2.03 **Equal Opportunity Complaints**
The District encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available, however, to address allegations of violations of the policy in the District. [VASD Rule 511](#)

2.04 **Fair Labor Standards Act**
Certain types of workers are exempt from the minimum wage and overtime pay provisions, including bona fide executive, administrative, and professional employees who meet regulatory requirements under the Fair Labor Standards Act [FLSA]. For non-exempt employees, issues concerning overtime, compensatory time off and minimum wage are found in Appendix A. Notification of rights under the FLSA is set forth in the employment posters in each work site employee lounge.

2.05 **Family and Medical Leave Act**

Conflicting interest is defined as having direct responsibility involving power to recommend appointment, dismissal, promotion, retention, demotion and salary or for supervision and evaluation of an individual with whom he/she is related by affinity or
consanguinity. For purposes of this policy, a “relationship of affinity” is defined as one that includes, but is not limited to, a relationship which an individual has with his/her spouse, domestic partner, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, adoptive sibling, adoptive child, adoptive parent, adoptive first cousin, a financial dependent or co-dependent (for example, sharing the same place of residence). A “relationship by consanguinity” is defined as a relationship which an individual has with a blood relative that extends to first cousin.

B. Should a District employee be called upon to participate in a decision to hire, retain, promote, demote, dismiss, evaluate, or determine the salary of a person related to him/her by affinity or consanguinity, as defined above, the employee shall refrain from participating in such decision and shall instead delegate his/her decision-making authority regarding that person to the Superintendent or his/her designee. Should the Superintendent or his/her designee be called upon to participate in a decision to hire, retain, promote, demote, dismiss, evaluate or determine the salary of a person related to him/her by affinity or consanguinity, he/she shall refrain from participating in such decision and shall instead delegate his/her decision-making authority in regard to the employment status of that person to another employee of the District.

C. Nothing in this policy shall be construed as discouraging the appointment of relatives for positions not designated by this policy as being in conflict. Except as restricted by this policy, each recommendation for employment shall be based upon the best-qualified applicant for the position to be filled. Nothing in this policy shall be construed to limit the opportunity for promotion of any person employed by the District.

D. In situations where a conflict of interest arises during employment, the Superintendent shall review the situation on a case-by-case basis and the Superintendent’s decision shall be final. VASD Policy 533.2

The District will not retaliate against an employee who in good faith has made a protest or raised a complaint against some policy, practice, or activity of the District, or of another individual or entity with whom the District has a business relationship, on the basis of a reasonable belief that the policy, practice, or activity is in violation of law or a clear mandate of public policy. Such materials created by the employee may include lesson plans, staff development presentations or tests/test items. Any work prepared by an employee within the scope of his/her employment for the use of the employer is owned by the District. Under federal copyright laws, this is called “work made for hire.” The intellectual skills and abilities of the employee that were used to make the work can be used in other employment settings at the employee’s discretion. H. **Workplace Safety Definition for Grievance Procedure:** In accordance with relevant state law, the grievance procedure established by the District permits employees to file grievances over workplace safety. For purposes of that procedure, the following guidelines shall apply:

   i. A grievance can be filed over workplace safety only if the safety of at least one employee is involved (as opposed to the safety of students or visitors).

   ii. The issue must concern the safety of a person (e.g., not the “safety” of one’s vehicle or other personal possessions).

   iii. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).

   iv. The individual(s) filing the grievance must propose a specific remedy.

i. Assault or battery.

ii. Blatant or intentional disregard for the safety or well-being of others.

iii. Commission of a violent felony or misdemeanor.

i. If an emergency exists and the situation is one of imminent death or great bodily harm, the employee shall contact the local law enforcement by dialing 911 and may take whatever emergency steps are available and appropriate to protect him/herself from immediate harm, such as leaving the area. Employees who contact 911 must also notify their building principal/immediate supervisor or designee.

ii. If the situation is not one of imminent death or great bodily harm, the employee shall report the incident to the building principal/immediate supervisor or designee as soon as possible.

An employee who has received a restraining order, temporary or permanent, against an individual that may impact the employee at work [e.g. verbal or physical contact or proximity has been prohibited or restricted], shall immediately supply a copy of the signed order to his/her supervisor. The supervisor shall provide copies to the other appropriate supervisors and inform other employees on an as-needed basis.

E. Investigation and Investigation Findings: The District will investigate all complaints filed and may investigate in other situations where no complaint was filed but was brought to the District’s attention. Retaliation against a person who makes a good-faith complaint regarding violent behavior or threats of violence made to him/her is also prohibited.

In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and the investigation but may need to disclose results to other parties depending on the circumstances; (e.g., to protect individual safety or to conduct an adequate investigation). The District will not tolerate retaliation against any employee who in good faith reports workplace violence.

3.45 Conformity to Law

If any provision of this Handbook, or addendum thereto, is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of
any sections, or addendum thereto, should be restrained by such tribunal, the remainder of this Handbook shall not be considered affected thereby.

SECTION 4. MANAGEMENT RIGHTS

4.01 Delineation of Rights

Management retains all rights of possession, care, control and management that it has by law, and retains the right to exercise these functions. The exercise of such powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only to the precise extent such functions and rights are explicitly, clearly and unequivocally restricted by the express terms of this Handbook/individual contracts and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Wisconsin and the United States. These rights include, but are not limited by enumeration to, the following rights:

This section does not describe any rights of the Verona Area Education Association (VAEA) nor the Verona Educational Support Personnel Association (VESPA) or employee(s). Accordingly, the VAEA and/or VESP A and/or an employee(s), may not base any charge of a Handbook violation under the District’s grievance process or any other forum solely on this section.

SECTION 5. GRIEVANCE PROCEDURE

5.01 Purpose - Ability To Grieve Discipline, Termination And Workplace Safety
The purpose of this section is to provide for the exclusive internal method for resolving grievances concerning discipline, termination and workplace safety. Employees who have access to a grievance process through a Collective Bargaining Agreement are not eligible to use this process. A determined effort shall be made to settle any grievance at the lowest possible level in the grievance procedure.

5.02 Definitions
Grievance: A "grievance" is defined as any timely written complaint, submitted according to the procedures herein, that arises concerning employee discipline, employee termination or workplace safety.

Grievant: A "grievant" may be any employee.

Day: The term "days" as used in this section shall mean school days, except for grievances filed between June 1st and August 31st of any year.

Receipt of Written Communication: A grievant is deemed to be in "receipt of a written communication" from the District regarding a grievance, including a denial of the grievance at any stage of the process, as of the date the communication is either personally delivered to the grievant, sent to the employee’s school District email address, or sent by mail to or left at the employee’s mailing address of record with proof of such delivery.

A. Grievable Event:
i. **Employee Discipline:** A “grievable event” as to employee discipline is the employee’s receipt of oral or written notice of the imposition of specific discipline by the District; or if no express notice of discipline is received, the occurrence of the event alleged by the employee to constitute disciplinary action. The initiation and conduct of an investigation that may lead to a potential disciplinary matter is not a grievable event.

ii. **Employee Termination:** A “grievable event” as to employee termination means the employee’s receipt of any written or verbal notice of termination of an individual’s employment with the District. The effective date of the employee’s termination is not a separate or new grievable event.

iii. **Workplace Safety:** A “grievable event” as to a workplace safety issue is the presence of a hazardous condition in the workplace, whether ongoing or reasonably likely to reoccur, that an employee alleges (1) constitutes a violation of a workplace health or safety code, regulation or standard; or (2) poses a recognized hazard likely to cause death or serious physical harm to the employee; and that has not previously been grieved under this grievance procedure and addressed by a decision of an Impartial Hearing Office or the Board.

B. **Termination, discipline and workplace safety:** The terms “termination,” “discipline” and “workplace safety” are intended to have only the limited meaning given to them under the state statutes that require the School Board to create a grievance system addressing those issues. For purposes of clarity and as examples of issues that either are or are not grievable under this grievance procedures (unless the applicable statutes are so interpreted by a court or tribunal, or amended at a later time), the following shall apply:

i. The term “discipline” is defined as a suspension, or a written reprimand. The term discipline shall not be interpreted to include a supervisor’s performance evaluation of an employee; a performance improvement plan; any verbal or written notice of performance expectations; any verbal reprimand; or the placing of an employee on administrative leave with pay.

ii. Termination is defined as involuntary, complete and permanent severance of the employment relationship as a result of some type of affirmative misconduct, usually for some infraction of the rules or policies of the District, abandonment of the position, incompetence, non-renewal in accordance with Part II, Section 36 of this handbook, or other reason deemed sufficient by the School Board and/or its designee. Termination results in involuntary separation and with prejudice to the employee. A termination will result in the loss of
length of service and other employment benefits. The term “termination” does not encompass all events that lead to a separation from employment. For example, the following personnel actions are not to be deemed “terminations” under the grievance procedure:

a. any voluntary quit, including resignation or retirement;
b. a job transfer or change in assignment;
c. a reduction in hours or in full-time equivalency;
d. non-reappointment to an extra-curricular or co-curricular assignment where other employment remains ongoing; or
e. completion of assignment by any temporary, substitute, or similar limited –term employee.

Except as noted above, where separation from employment results from the District’s use of specific statutory procedures for the non-renewal of a fixed-term employment contract, such separation via nonrenewal is not grievable as a “termination.”

C. The term “workplace safety” means a hazardous condition in the workplace, whether ongoing or reasonably likely to reoccur, that an employee alleges (a) constitutes a violation of a workplace health or safety code, regulation or standard; or (2) poses a recognized hazard likely to cause death or serious physical harm to the employee. Further, a grievance over an alleged workplace safety issue under this grievance procedure is appropriate only if:

i. The safety of at least one employee is involved (as opposed to exclusively the safety of students or visitors);

ii. The issue concerns the safety of a person (e.g. not the “safety” of one’s vehicle or other personal possessions);

iii. The grievance is filed by an employee who is presently affected by the issue, or who might reasonably in the future be affected by the issue (i.e. an employee otherwise lacking any interest in the issue may not file a grievance on behalf of another employee); and

iv. The issue presented by the grievance must be under the reasonable control of the school District.

v. Although a given issue, complaint or concern may not properly qualify as a grievance over “termination”, “discipline”, or “workplace safety”, employees may still pursue and seek a resolution to such issues,
complaints or concerns by raising the matter with their immediate supervisor or more formally through Board Policy 525 General Employee Concerns. **VASD Policy 525**

5.03 **Time Limits**

The time limits set forth in this section shall be considered as substantive, and failure of the grievant to file and process the grievance within the time limits set forth in this section shall be deemed a waiver and a settlement of the grievance. The number of days indicated at each level should be considered a maximum. The time limits specified may be extended by the mutual consent of the District and the grievant. The parties may, through mutual consent, agree to start the grievance at a higher step if the grievance involves termination and is initially filed in a timely manner pursuant to the timelines set forth below.

5.04 **Grievance Processing Procedure**

Grievances shall be processed in accordance with the following procedure:

A. **Step One - Informal Resolution**: An earnest effort shall first be made to settle the matter informally between the employee and the immediate supervisor. A grievance may be initiated through an informal meeting and discussion with the immediate supervisor, the employee and, should they choose to have one present, the employee's designated representative. The informal meeting and discussion shall occur within ten (10) days after the facts upon which the grievance is based first occurred. The immediate supervisor will give an answer to the grievance. The grievant shall be required to state the purpose of the discussions and event(s) upon which the discussions are based. The immediate supervisor shall notify the grievant and (if applicable and appropriate) the representative of his/her answer within ten (10) days. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant may file a written grievance.

B. **Step Two - Written Grievance**: If the grievance is not resolved at Step One, the grievant shall file a written grievance with the immediate supervisor within ten (10) days after the earlier of the following: (1) receipt of the Step One response; or (2) the District's deadline for providing a Step One response (if no response is provided). The written grievance shall include the facts upon which the grievance is based, the issues involved, the specific **Handbook** and/or School Board policy provisions that were allegedly violated that triggered the discipline, workplace safety and termination issue and the relief sought. The grievance shall be signed and dated by the grievant. The immediate supervisor shall respond to the grievance in writing within ten (10) days. However, if there is an ongoing investigation related to the subject matter of the grievance, the immediate supervisor shall have until ten days after completion of the investigation to respond to the grievance. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal with the Superintendent.
If the grievant’s immediate supervisor is the Superintendent, the grievant shall skip Step Three and proceed directly to Step Four if he/she is not satisfied with response of his/her immediate supervisor at Step Two (or if no answer is provided in the above timeframe).

C. **Step Three - Appeal to Superintendent:** If the grievance is not resolved at Step Two, the grievant may appeal the written grievance to the Superintendent within ten (10) days after the response at Step Two or if no response is provided within ten (10) days of the deadline for the response. The Superintendent shall meet with the grievant(s) and/or the employee’s designated representative and the principal or immediate supervisor within ten (10) days after receiving the written grievance. The Superintendent shall respond to the written grievance within ten (10) days of the meeting or at a later date as determined by the Superintendent if further investigation is warranted. The Superintendent shall indicate in writing the disposition of the grievance and forward it to the grievant and (if applicable and appropriate) the grievant's representative. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the impartial hearing officer.

D. **Step Four - Appeal to Impartial Hearing Officer:** If the grievance is not resolved in Step Three, the employee must notify the Superintendent, within ten (10) days after receipt of the Superintendent's answer or if no response is provided within ten (10) days of the deadline for the response, if he or she intends to process the grievance to an impartial hearing officer.

If there is a dispute over the timeliness or the ability to use the grievance procedure on the issue, the Administration shall have the discretion to bifurcate the hearing for the purpose of deciding those issues (i.e. address whether the grievance was filed in a timely manner before hearing the merits of the grievance or address whether the content of the grievance is properly before the impartial hearing officer).

Upon receipt of the request for a hearing, a qualified impartial hearing officer will be assigned to the grievance, per the requirements of Board policy/rule. See Appendix C for details.

The hearing officer shall have discretion to establish specific procedures for the conduct of the hearing, provided that such procedures are consistent with any applicable statutory and general due process requirements. The hearing officer shall meet with the parties at a mutually-agreeable date to review the evidence and hear testimony relating to the grievance. The hearing officer shall not be required to abide by the rules of evidence that would apply in civil or criminal court cases. For instance, he/she may choose to admit hearsay and accord it such weight that it may be due. The hearing officer is responsible for ensuring that he/she is creating and preserving a
record of the proceedings that will enable Board review. Upon completion of this review and hearing, the hearing officer shall render a written decision to the administration, the grievant, and (if applicable and appropriate) the grievant’s representative.

A decision of the hearing officer shall be limited to the subject matter of the grievance and shall be restricted solely to interpretation of the policy or handbook. The hearing officer may deny the grievance or conclude that the grievance should be sustained in whole or in part and recommend a remedy. A decision of the hearing officer shall be limited to the subject matter of the grievance and shall be consistent with the role of the hearing officer as established in Board policy/rule. The decision of the hearing officer and any recommendations contained therein are subject to review by the Board via appeal, as described below.

Hearing officers are encouraged to use appropriate means of narrowing the issues in dispute, including seeking and documenting such stipulations as to which parties may be able to agree. The hearing officer shall decide disputed facts based upon a “preponderance of the evidence” standard.

In a case involving a challenge to discipline or termination, unless a different standard applies due to the application of substantive rights or employment protections arising from a source other than this grievance procedure, the District shall have the initial burden of production to demonstrate a plausible factual basis for the challenged action, which shall be subject to rebuttal by the grievant. The District shall have the ultimate burden of proving that its action met the applicable standards for discipline/termination as defined in the sections of this handbook addressing administrators, teachers, support staff and all other employees.

E. Step Five – Appeal to Board of Education: If the grievance is not resolved at Step Four, the grievance may be appealed to the School Board within ten (10) days after the decision at the prior step. Either the administration or the grievant may appeal an impartial hearing officer’s decision to the Board. The Board’s decision is final and may not be appealed. All Board actions throughout this process shall comply with requirements of Wisconsin’s Open Meetings Law.

The Board shall meet with the parties to review the evidence and hear testimony relating to the grievance. At the hearing, each party may cross-examine any witness of the other party. If either party presents an exhibit that was not presented at a prior step of the grievance process, the exhibit must be provided to the other party at least twenty-four (24) hours prior to the hearing.
One appeal from Step Four, the hearing officer's factual findings and conclusions of law shall have distinct standards of review. The School Board shall accord significant deference to the hearing officer's findings of fact but 1) may modify any such findings if after consulting with the hearing officer the School Board concludes that the most reasonable view of the records calls for modification of one or more of the findings; or 2) may remand the case back to the hearing officer for further factual development and (if necessary) revised conclusions of law. In terms of conclusions of law and mixed questions of fact and law, the School Board shall apply an arbitrary and capricious standard of review, meaning that the hearing officer's findings shall be accorded deference unless the IHO's finding has “no reasonable basis”.

The School Board shall render a written decision that affirms, reverses, or modifies the decision of the hearing officer (or, if applicable, of the Superintendent). Such decision shall be rendered in a timely manner usually within thirty (30) calendar days of the Board meeting at which a decision is made, and a copy of the decision shall be provided to the administration, the grievant, and (if applicable and appropriate) the grievant's representative. The School Board’s decision is final and may not be appealed. All School Board actions throughout this process shall comply with requirements of Wisconsin’s Open Meetings Law.

5.05 Grievance Filing
A. Any grievant who files a grievance must submit a signed and dated document that includes, at minimum, the following information:

B. Identification of the document using the word “Grievance”

C. Date the grievable event occurred;

D. Whether the grievance concerns a termination, disciplinary action or a workplace safety issue;

E. The basic nature of the complaint/allegations and the issue(s) to be resolved;

F. The alleged responsible supervisor;

G. Any known witnesses to key events; and

H. The relief or remedy that is requested.

5.06 Disputes as to Timeliness or Grievability
No grievant has the right to pursue an untimely grievance or a grievance that falls outside the definition of a grievance (e.g. because the complaint does not deal with termination, discipline, or workplace safety). If there is a dispute over the timeliness or the grievability
of a grievance that the parties are unable to resolve, the administration shall have the
discretion to request, and the hearing officer shall allow, bifurcation of the merits of the
grievance and any issue(s) regarding grievability. In the event of bifurcation of the issues,
y any decision as to a grievability issue shall be appealable to the Board prior to any remand
to a lower step of the grievance procedure for decisions and/or a hearing on the merits.

5.07  **Grievant's Right to Representation**

Any grievant may be represented at all stages of the grievance procedure by a
representative(s) of his/her own choosing. Student records shall not be disclosed to an
employee’s representative except in compliance with applicable law and Board policy.

5.08  **Consolidation of Grievances**

Grievances of the same type, and with similar fact situations, may be consolidated at the
discretion of the Superintendent.

5.09  **Group Grievances**

Group grievances involve more than one employee and any of the following:

A. More than one work site;

B. More than one supervisor; or

C. An administrator other than the immediate supervisor

Such grievances may be initially filed at Step Three; however, they shall follow the initial
timelines for filing the grievance at steps A. and B. above.

5.10  **Grievances Filed by the Superintendent**

In the event a grievance is filed by the Superintendent, it shall be initially filed with the
School Board President and School Board Clerk according to the deadlines established
within Step 1 of this grievance procedure. The Board shall have the role and
responsibilities of the Superintendent in Step 4 and elsewhere in the process. All other
notices provided by the Superintendent acting as a grievant shall similarly be filed with the
Board President and Board Clerk.

5.11  **Voluntary Modifications to and Waiver of Procedures**

In the interest of achieving the most timely and satisfactory resolution of employee
complaints and grievances, a grievant may voluntarily reach an agreement with the
Superintendent to modify the process established within this grievance procedure,
provided that no such modification eliminates the role of the School Board as the final level
of appeal that is available in any grievance. For example, a grievant may voluntarily waive
specific procedural steps within this process, including the right to waive any hearing
before an impartial hearing officer. However, any such voluntary modification or waiver of
any portion of this grievance procedure shall be documented in writing and added to the
record of the grievance.
5.12 Settlement of Grievances
The Superintendent and the grievant may reach a voluntary settlement of the grievance at any time under which the grievant agrees to withdraw and drop the grievance. The Superintendent shall notify the School Board of all such settlements. The Superintendent shall also have the right to make any such settlement that results in the payment of financial compensation, so long as notification to the School Board is given prior to execution of the settlement agreement.

5.13 Impartial Hearing Officer Selection Procedures
See Appendix D for the process that the District will use to determine IHO eligibility and assignment.

The District, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the District’s health, dental and vision insurance plan at the group rate in certain instances where coverage under the plan would otherwise end.

A. Qualifying Events: An employee, employee’s spouse and an employee’s dependent children (if any) covered by and participating in the District’s health insurance plan (medical, dental, and vision), may qualify for continuation coverage if District-sponsored coverage is lost due to the occurrence of any of the following qualifying events:

   i. Voluntary or involuntary termination of employment for any reason other than “gross misconduct.” (e.g., resignation or retirement);
   ii. Death of the covered employee;
   iii. Divorce or legal separation from the covered employee;
   iv. Loss of “dependent child” status;
   v. Eligibility for Medicare entitlement;
   vi. Reduction in work hours such that the employee no longer qualifies for coverage under the plan.

B. Period of COBRA Continuation: In the event of one of the above qualifying events, COBRA coverage is available for up to eighteen (18) months, but may be extended to a total of twenty-nine (29) months in certain cases of disability (see Disability Extension below) or up to thirty-six (36) months if a qualifying spouse or dependent suffers a second qualifying event. The employee, employee’s spouse and each covered dependent has an individual right to request COBRA coverage. Additionally, any child born to or placed for adoption with a covered employee during a period of continuation coverage is automatically considered a qualified beneficiary.

C. COBRA Extension [Second qualifying events]: A spouse or dependent child may be eligible for COBRA extension coverage for a period of up to thirty-six (36) months if coverage is lost due to one of the following second qualifying events:

   i. The employee’s death;
   ii. Divorce or legal separation;
   iii. The covered employee becomes eligible for Medicare;
iv. A child loses his or her “dependent child” status.

*Note: The second event can be a second qualifying event only if it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event.

D. **Premium Cost & Payment:** The cost for this extended continuation coverage shall not exceed the group rate in effect for an active group member, including the District’s contribution (i.e., the total amount the employee and District have been paying for health insurance coverage). If the cost for COBRA coverage changes during an employee's participation the employee will be notified of the new premium in writing prior to its due date.

E. **Termination of Coverage:** Employee continuation coverage may be terminated automatically if:

i. The employee fails to make a monthly premium payment to the District on time;

ii. The employee obtains similar coverage through a different employer;

iii. The employee becomes eligible for Medicare and convert to an individual policy;

iv. The District terminates its health plan;

v. The employee’s guaranteed continuation period expires.

The employee or a qualified beneficiary have the responsibility to inform the District of a divorce, legal separation, or a child losing dependent status under the group health plan within sixty (60) days of the qualifying event. The District will then notify any other covered dependents that are affected by the event of their right to elect COBRA coverage. COBRA participants must also notify the District if they experience additional COBRA qualifying events during their COBRA term that might qualify them for additional months of extended coverage.

F. **Disability Extension:** If an employee elects COBRA continuation coverage based on termination of employment or reduction of hours, and the employee or a qualified beneficiary from his or her family becomes disabled (as determined by Social Security) anytime within the first sixty (60) days of COBRA continuation coverage, the employee and his or her family’s qualified beneficiaries may elect a special additional eleven (11)-month extension, for a total of twenty-nine (29) months of COBRA continuation coverage. To elect the eleven (11)-month extension, the employee must notify the Plan
Administrator within sixty (60) days of the date Social Security determines that the employee or a qualified beneficiary from his or her family is disabled and within the first eighteen (18) months of COBRA continuation coverage. (The cost of COBRA coverage will increase from 100% to 150% of total premium during this additional eleven (11)-month extension period.).

8.11 Vacation
A. Eligibility – Hourly employees in year-round (12 month) positions are eligible for paid vacation. See Section 19 in the employee handbook and applicable provisions in Administrator and CTS employment provisions for amounts, approval process and usage restrictions.

B. Usage – Vacation days must first be approved by the employee’s supervisor before being taken. Employees should not make financial commitments for days off associated with vacation days until after approval is given.

C. Severance Payout – Any employee with accrued vacation at their date of separation shall have all accumulated hours paid out at the employee’s current hourly rate through a non-elective, post-employment 403(b).

Whenever possible, the request should be accompanied by a copy of the reservist's military orders. The request shall be submitted in writing to the employee's supervisor who will forward the request to Human Resources.

12.03 Payment While on Leave
In addition to the requirements of the law to provide an unpaid leave, the District shall pay employees who qualify for Uniformed Service Leave the difference between their regular pay and the pay received from the state or federal government. These days are not to be deducted from general leave.
12.04  Benefits/Seniority/Length of Service during Uniformed Services Leave

Employees shall continue to receive benefits and accrue length of service for wage/salary increments, if applicable, and all other purposes where length of service is a factor. The employee’s absence shall not be construed as a break in service for any purpose.

Reemployment rights extend to persons who have been absent from a position of employment because of “service in the uniformed services.” “Service in the uniformed services” means the performance of duty on a voluntary or involuntary basis in a uniformed service, including:

A.  Active duty and active duty for training

SECTION 13. WORKER’S COMPENSATION

13.01  Worker’s Compensation Coverage and Reporting Responsibilities

All employees shall be covered by Worker’s Compensation Insurance. Any employee who is injured on the job shall report the injury to the employee’s supervisor and human resource office prior to seeking medical attention, if at all possible. In the event of an emergency, the employee shall provide notification within twenty-four (24) hours after the occurrence of the injury. The employee shall fill out an accident report form that can be found on the District Staff Intranet under Human Resources/HR Documents.

13.02  Benefits While on Worker’s Compensation

If any employee is injured while performing duties for the District, the District shall continue to provide worker’s compensation insurance, and the employee will be compensated in the following manner:
A. **Up to day sixty (60) of Worker’s Compensation Leave:** The employee will be paid income equivalent to the income the employee would have earned had the employee not been injured. This income will be generated by combining worker’s compensation insurance with prorated accumulated sick leave as necessary through a deduction of one-third (1/3) of a day of sick leave for each day while on worker’s compensation. This provision will apply up until the sixtieth (60th) consecutive day of leave, or as long as the employee has accumulated sick leave available, whichever occurs first.

B. **Day Sixty-One (61) and thereafter of Worker’s Compensation Leave:** The employee will receive his/her worker’s compensation payment. No other leaves will be applied to the worker’s compensation leave. The employee, subject to the rules and regulations of the carrier, may be eligible for long-term disability leave.

### 13.03 Injuries Not Covered by Worker’s Compensation

Some types of injuries suffered while at work may not be covered by worker’s compensation insurance. Examples of non-covered injuries suffered at work include, but are not limited by enumeration to, the following:

A. Injuries because of a self-inflicted wound.

B. Injuries sustained because of an employee’s horseplay.

C. Injuries sustained while an employee does an activity of a strictly private nature.

### SECTION 14. SCHOOL CLOSURE DUE TO INCLEMENT WEATHER OR OTHER EMERGENCIES

#### 14.01 Criteria and Notification

The Superintendent or designee shall have the authority to close school in the event of extremely bad weather or other emergency that threatens the health or safety of students and staff. The Superintendent or designee may cancel school for the entire day, delay the start of school for the day or dismiss school early. If the school schedule is changed in any way to weather or other emergency, local media outlets will be notified, an email and text will be sent to all district staff and notice put on the District’s website (www.verona.k12.wi.us). It is the employee’s responsibility to monitor at least one of these communication outlets to determine whether they are to report to work. **VASD Policy 723.3**

A. **Teachers/Administrators:** If school is not held, teachers/administrators are not required to report to work and no general leave will be deducted. The
District shall, at minimum, make up all days/hours necessary to guarantee the receipt of state aid and/or necessary to meet the minimum annual school year requirements for minutes of instruction. Teachers/administrators shall not receive additional compensation if the District requires such time to be made up.

B. **Hourly and CTS Staff:** If schools close for reasons of any emergency, hourly support staff scheduled to work on all shifts for that day will not report to work and will not be paid. Employees may be designated in advance that they are to report to work when school is closed. If so designated, they will work. However, no one is asked to risk personal injury to report to work. Employees working on such days shall receive time and one-half pay.

Employees who do not report to work will have the option to take the day without pay or may use general leave or vacation (if eligible) to maintain pay status.

**Substitutes:** If students do not report to school, substitute teachers do not report to school. If a delayed start is announced, substitute teachers report 30 minutes prior to the new start time of school.
PART II - STAFF WITH INDIVIDUAL CONTRACTS
UNDER §118.22, WIS. STATS. (TEACHERS)
SECTION 15. COMPENSATION

15.01 Starting Salary
The Director of Human Resources shall determine the starting salary of newly hired teachers based on the needs of the District. The current approved Teacher Salary Schedule is located on the District Internet under District Departments, Human Resources and Payroll/Salary Schedules.

15.02 Salary Advancement
Base wages for each school year will be negotiated with the designated and appropriately certified bargaining unit representatives. Supplemental wages, if any, may be provided at the sole discretion of the District. Approved base and supplemental wage increases shall be provided to all teachers in the District.

The current Teacher Salary Schedule has vertical lanes that relate to WI DPI PI-34 licensure stages: Provisional Educator, Life License Educator and Master Educator. In addition, a lane denoting a Life License Educator with Masters Degree attainment is included. Any teacher who has a current, valid 5-year license that was granted prior to PI-34 implementation shall be placed in the Life License Educator lane (or Life License Educator with Masters lane as applicable).

Subject to negotiations and the availability of funds, typical wage progressions may include one or more of the following:

A. One or more steps (vertical movement within a lane). Note that steps do not always relate to years of experience.

B. Moving one or more lanes (horizontal movement) based on changes to a teacher’s licensure status on or after July 1st of the contract year. The compensation for a lane movement is as follows:

i. The teacher’s current year salary will be increased by the percentage amount identified in the column that the teacher is moving to.

ii. The teacher will then be placed on the next highest step at or above the sum of the current year salary and the applicable percentage of salary increase denoted in the column to which the teacher is moving.

iii. In the event a teacher qualifies for two lane movements at once, the teacher can either move one column per year for two years (with column percentage increases each year and placement at the next highest step), or can move directly to the highest column for which they are eligible and receive the percentage increase (with placement at the next highest step) for that column only.
iv. Teachers who provide documentation of licensure change after August 15th will receive the appropriate lane and step increase within 30 days of providing the required documentation. This pay increase will be retroactive to the beginning of the contract year.
   i. If the wage is adjusted as part of a mass change for all teachers, the retroactive wages will be paid in a lump sum at the time of the move.
   ii. If the lane movement is an individual adjustment, the additional compensation will be spread out over the remaining paychecks of the teacher's identified payroll cycle.

C. Across the board salary schedule increases where the entire schedule is increased by a defined percentage.

If more than one salary advancement action noted above takes place in one contract year, the salary advancement process shall be administered as follows: 1. If an across the board salary schedule increase is given, that increased salary schedule shall be used for horizontal and/or vertical lane movements. 2. Next, horizontal lane movements (“b”) will take place; 3. Finally, vertical movement (“a”) will take place.

For purposes of movement through the salary schedule, part-time teachers will receive the same step increment(s) as full-time teachers.

15.03 Teachers Subbing for Teachers
When a teacher is requested by the principal/designee to teach the class of a teacher who is absent, the teacher shall be paid $30.00 per hour.

15.04 Voluntary Work During the Teacher Lunch Period
If a teacher accepts a voluntary assignment during his/her duty-free lunch period, he/she will be compensated at the curriculum rate.

15.05 Summer Teachers
Teachers who are employed by the Verona Area School District during the school year and are hired during the summer months shall be paid according to the current approved Summer and Seasonal Wage Rate Schedule which is located on the District Internet under District Departments, Human Resources and Payroll, Salary Schedules.

The terms and conditions of employment for summer school session shall be established by the District at the time of hire. Unless specifically set forth by the District at the time of hire, work performed by a regular employee during a seasonal or summer school session shall not be used to determine eligibility or contribution for any benefits, length of service or wage/salary levels.
15.06 **Parent/Teacher Conferences, Back to School Meeting Preparation and 6th and 9th Grade Transitions**

A. **Conferences for Traveling and/or Part-Time Teachers** - Parent/Teacher conferences may be conducted at multiple sites according to the teachers’ percentages of assignments. Administrators may request teachers to be available for additional Parent/Teacher conferencing time. With the exception of teachers working job-sharing arrangements, part-time teachers who are requested to work in excess of their percentage of employment shall be compensated at the teachers’ hourly rates of pay.

B. **Elementary Class Size Conference Impact** - Elementary teachers shall be eligible for additional compensation at the current curriculum rate according to the table below:

ii. Teachers may submit timesheets upon completion of spring conferences and no later than May 31st with payment to be made in June.

iii. The chart above is premised on fall and spring conferences of 20 minutes and 30 minutes respectively, or alternatively a total of 50 minutes per student. The District reserves the right to determine the length of conferences to best meet student and parent needs. The VABOA will meet and confer with affected teachers and the designated bargaining representative if the District increases the total length of conferences per student.

C. **Elementary Back to School Meeting Preparation** - Regular elementary classroom teachers may be paid for up to (4) hours for preparation for back to school parent meetings in the fall. These four (4) hours of preparation are
for parent meetings to be conducted in the months of August and/or September.

Teachers who choose to conduct such meetings will be paid at the teacher’s regularly scheduled hourly rate. Special Education teachers who choose to participate with regular elementary classroom teachers in said conferences will also be paid at their regularly scheduled hourly rate.

D. Sixth and Ninth Grade Orientation - Teachers of sixth and ninth grade students may participate in orientation activities specific to the incoming grade level in the spring and beginning of the school year that take place outside the normal contract day. Up to (6) hours may be submitted for compensation at the teacher’s regularly scheduled hourly rate.

15.07 Flex Day
The purpose of an additional flex day is to provide time for teachers to work together on goals that connect to and are aligned with the District direction.

The process for planning and implementation at the building level will be organized and supervised by the Building Principal. Plans for the use of the flex time must relate to building or District goals. It is expected that professional staff members will work in teams or departments to identify goals, delineate strategies, and create a timeline of tasks.

While it is the intent that the individual or group will establish a schedule for flex time, in the absence of said schedule, the principal reserves the right to assign a project plan for utilization of the designated flex time to that individual or group. If the individual does not submit a plan by September 30th, the Principal shall assign a plan and timeline. In the event teachers in a group cannot mutually agree to times for collaboration and project work, the teachers will need to complete their flex time work individually.

Each individual must submit a flex day completion form by May 31st of each year. Failure to complete planned flex day work and submit a completed form will result in a day’s pay deduction from the last check in June. Should an individual be placed on medical leave prior to completing the flex time work prior to June 30, general leave may be used in lieu of a pay dock.

15.08 Upham Woods
Teachers who volunteer, subject to the approval of the administration, to accompany students to Upham Woods for extended school day activities are to be compensated as follows:

A. one half (1/2) comp day for each evening of activities/supervision; and

B. one (1) comp day for each evening and overnight supervision.
15.09 **Summer Camps and Other Community Enrichment Opportunities**

The following two options are available for teachers to operate summer camps and enrichment opportunities that are separate and distinct from summer school. This section shall apply to the following:

<table>
<thead>
<tr>
<th>ACT Preparation</th>
<th>Theater Camp</th>
</tr>
</thead>
<tbody>
<tr>
<td>Art/Ceramic Camp</td>

<tr>
<td>Basketball – Boys and Girls</td>

<tr>
<td>MS Theater</td>
<td>Youth Basketball Camp/League</td>
</tr>
<tr>
<td>Soccer – Boys and Girls</td>
<td>Others as Approved by the District</td>
</tr>
</tbody>
</table>

**Option 1: District Sponsored Activity**

The program falls under the jurisdiction of the District. Payment for each position will be determined by a spreadsheet that identifies anticipated revenues and fixed expenses, with the balance being made available for payment to employees. The decision of the camp/enrichment event leader shall determine the compensation amounts for all employees who assist the leader.

**Option 2: Independent Contractor**

The program will be run independently and the director assumes all responsibility including insurance, rental fee(s), salaries, and all other financial liability. The District agrees to treat all independent organizations equitably including, but not limited to, assessing rental fees and distribution of registration forms in District mailings.

The camp option may only be changed prior to the start of the camp process by notifying the Athletic Director.

15.10 **Teacher Work Calendar**

The school calendar, including the determination of the structure of the days, e.g. instructional, in-service, workdays, etc., shall be at the sole discretion of the Board. See the District website under District Departments/Human Resources and Payroll/Teacher Work Day Calendar for the current school calendar.

A typical teacher work calendar shall consist of 192 contract days, which shall include the following:

A. 180 student contact days;

B. two (2) teacher “Back to School” in-service days;

C. three (3) professional development days;

D. two (2) parent conference days
i. the fall conference day is a combination of a scheduled morning conference time during the normal work day and “comp time” for conferences held after normal contract hours in the fall;

ii. the spring conference day is a paid “comp day” scheduled at the end of the school year and is a combination of the “Back to School” night in the fall and the spring parent/teacher conferences that are scheduled and held after normal contract hours.

E. one (1) Family Contact Day. Meetings with parents/students take place outside of the normal contract days/hours prior to October 1st of each year and is compensated in the form of a paid “comp day” as noted on the teacher work calendar.

F. one (1) flex day. Flex Day time must be completed in cooperation with colleagues and be focused on District or building goals and is compensated in the form of a paid “comp day” as noted on the teacher work calendar. The project or combination of projects must equal 7.5 hours. See Section 15.07.

G. three (3) paid holidays: Labor Day, Thanksgiving Day and Memorial Day.

15.11 Professional Development Days
Each year, the three (3) required professional development days will be identified on the teacher work day calendar. Each teacher is required to attend a full day of each scheduled professional development (regardless of FTE). Part-time teachers may submit a timesheet to their building principal to be paid at their hourly rate for additional hours worked beyond their assigned FTE.

For those who do not attend, the applicable pay deduction will be made. For an unexpected illness of self or family member, General Leave may be used. No scheduled general leave absences (including personal days) may be requested nor used on these days.

Teachers who provide training for any District sponsored training will be compensated at $400 per day/$200 per half day in addition to their normal daily rate. This training will also count towards the teacher’s required professional development days.

The District may offer one or more “optional” days of professional development that a teacher may choose to attend. These days are in addition to the teacher’s 192-day work calendar and will be noted as “optional” days of attendance on the teacher work calendar. Teachers who attend these optional days shall be paid $100 per day/$50 per day half day for attendance.

15.12 Extra Teacher Workdays for New Hires
In addition to the 192-teacher work day calendar, four (4) additional days of work will be required for all full time and all part time teachers new to the District in their first twelve (12) months of employment. These days are required to be worked as full days regardless
of a new teacher’s FTE status. (For this section, “new to the District” is defined as not having participated in these additional days in our District in a previous assignment.)

Three of the four (4) days shall be the three (3) workdays immediately preceding the first day that returning staff report. Each of these three (3) days will include 50% site/District scheduled time and 50% individual time for teachers to work in their classrooms. New teachers will receive their daily rate of his/her contracted salary for each of the three (3) days preceding the first day that returning staff report.

The remaining fourth day, which may be broken down into 1-2 hour blocks of time, shall be a flexible work day scheduled after hours at the discretion of the corresponding building administrator. Pay shall be at the curriculum rate.

15.13 Extended Days

Upon agreement by the teacher, additional contract days may be added to the contracted school calendar at the discretion of the District. Teachers shall be compensated for said days at their individual contracted per diem rates of pay as per the current salary schedule.

15.14 Reimbursements for Credits, NBPTS Certification, Or Wisconsin Master Educator Portfolio

Teachers shall be reimbursed the actual cost of graduate courses or for application costs to seek National Board of Professional Teaching Standards (NBPTS) certification up to a maximum of $1,800.00 in any five-year period. Course reimbursement for a part-time teacher shall be prorated based on his or her individual contract FTE.

In the event a teacher’s licensure area is not covered by the NBPTS, the teacher may be reimbursed for the actual cost of obtaining the Wisconsin Master Educator Portfolio. Since Occupational Therapists and Physical Therapists do not have a NBPTS nor Wisconsin Master Educator pathway, they may request to be placed in the Master Educator pay column after having completed five (5) full years of District employment.

Notwithstanding the above, a teacher may be reimbursed for the costs associated with becoming a trainer of any District approved professional development topic. Such reimbursement shall be in addition to the dollar amounts listed above, but approval is contingent upon the availability of funds.

The beginning of the five-year period for credit reimbursement shall be determined by the teacher’s starting date in the District. Graduate courses related to assigned responsibilities are eligible for this $1,800.00 reimbursement include those taken anytime within this five-year period.

Graduate courses must directly relate to the teacher’s current area of teaching assignment or courses in the following university or college departments:

Department of Psychology
Teachers shall be eligible for reimbursement provided:

A. all courses, except those referenced in the list of departments above, have received prior written approval of the superintendent or designee;

B. the teacher is a full-time or part-time member under contract in the month reimbursement is to be dispersed. For example, teachers leaving the District whose last contract day is in June are not eligible for reimbursement of coursework completed in July onward.

Courses taken, which meet the criteria outlined above, will be reimbursed on a monthly basis except during the months of August and September.

Reimbursement for coursework will be executed upon Human Resources receiving all of the following:

A. official transcript or grade report from the instructor indicating that all course requirements have been successfully fulfilled, and received within 60 days of completion of the course or upon receiving the course grade;

B. an official receipt designating the tuition and/or fees identified for each course from the appropriate institution indicating that the course fees are paid in full (books, computers, parking etc. are not reimbursable),

C. a completed, signed, and dated “Request for Credit, NBPTS or Wisconsin Master Educator Portfolio Reimbursement” form. These expenses may be submitted for reimbursement at any time, regardless of completion status.

This information must be received by the second Friday of the month for reimbursement to occur on the fourth Friday of the same month. Forms and information received after the second Friday of the month will be reimbursed the following month.

The District will not be liable for any insurance claims filed by teachers when traveling to/or-attending courses in completing the above stated requirements.
15.15 **Enrollment Impact (Class Size)**

The distribution of students in classes by the District shall be according to the following descriptions. Class sizes that exceed the following descriptions which result from a principal, or other supervisor, granting a request initiated by a teacher will not qualify for wage adjustment.

A. Reasonable efforts will be made to staff classrooms in accordance with class sizes of 25:1 at the Elementary (Grades K-5) level and within 30:1 at the Secondary (Grades 6-12) level. The impact of increased enrollment (i.e., more preparation, more papers to correct, more work projects to supervise, probability of more disciplinary problems) on a teacher's working day may be an individually negotiable area if one of the following guidelines is exceeded:

ii. K-5 - Any enrollment over 25

iii. 6-12 - Any enrollment over 30

An affected teacher shall have the personal option of seeking a fair and equitable financial and/or workload compensation for that increased enrollment from the District. This request may be made directly to building administration.

B. The following departments are excluded from impact guidelines for enrollment: Music, Art, Physical Education, Library Media Specialists, Education Technology personnel, Student Services personnel, and other personnel not engaged in classroom teaching. Teachers in these departments may seek a fair and equitable financial and/or workload compensation should they believe their class sizes are excessive. All charter school teachers are also exempt from impact guidelines.

C. Nothing contained in this section is intended to define or limit class sizes, such authority to be specifically reserved to the District. The intent of this section is to address the impact of enrollment on a teacher's working day.

15.16 **Teaching Load (Workload Grid)**

A. The following table sets forth the work load of District teachers. Individual employment contracts shall be based upon the following table and contracts that are issued for less than 100% employment shall be calculated according to this table and the formulas in subsection D. Teachers with workloads which exceed the parameters described in the following table shall be compensated based upon calculations provided in subsection D.
**B. Work Load Grid Table - All components are expressed in minutes per week:**

*NOTE: This category includes but is not limited to High School: the equivalent of one (1) period every two (2) days (block schedule); Middle School: the equivalent of one (1) period per day; Elementary School: a combination of time when students are supervised by someone other than the classroom teacher, for example, related arts, recess, etc.*

**D. Other work load components:**

i. Elementary teachers will not be required to supervise student activities during recess periods or during the students’ lunch periods unless this supervision is in lieu of teaching assignment.

ii. Elementary teachers will receive an additional paid day to be paid at the teacher’s scheduled per diem salary as compensation for preparation performed outside the regular teacher work day. Pay for this day will be paid with the first June paycheck.

iii. The teacher’s day shall include no fewer than thirty (30) consecutive minutes per day for duty-free lunch.

iv. Administrators have the ability to assign other duties such as, but not limited to, study halls to an employee in combination with other
duties to comprise a full-time contract. It is permissible for teachers to work with students during their preparation time if they so choose.

D. **Wage Adjustment** - The method of calculation for determining a less than full time assignment and the method of calculation for determining an overload is described as follows:

**For a part-time assignment** - The percent of a teacher’s individual contract that is less than full time shall be determined by subtracting the number of instructional minutes of the teacher’s assignment from the lowest number of the instructional range, divide the resulting sum by the midpoint of the range as shown on the Work Load Grid to obtain the percent of assignment less than full time. Subtract the percent less than full time from 100% to obtain the percent of the teacher’s part-time contract. [Example: For a teacher who has a high school assignment of 1,150 instructional minutes, subtract 1,150 from 1,190 (the lowest number of the range) = 40 divided by 1,250 (the midpoint) = 3.2%. 100% minus 3.2% = 96.8% part-time contract.]

**For an overload assignment** - The percent of an overload assignment shall be determined by subtracting the highest number of the instructional range from the number of instructional minutes of the teacher’s assignment, divide the resulting sum by the midpoint of the range as shown on the Work Load Grid to obtain the percent of assignment greater than full time. Multiply the percent greater than full time times the teacher’s salary on the salary schedule times the length of time of the overload assignment to obtain the amount of overload pay for the teacher. [Example: For a teacher who has an elementary school assignment of 1,550 instructional minutes for one semester, subtract 1,485 (the highest number of the range) from 1,550 = 65 divided by 1,425 (the midpoint) = 4.6%. Four point six percent (4.6%) times the teacher’s scheduled salary times .5 = the overload salary.]

### 15.17 Traveling Teachers

The length of the work day for traveling teachers shall not exceed the length of the work day for a non-traveling teacher at the same level (e.g., elementary school, middle school, high school) based on their assigned starting time. Work days will be in consecutive minutes beginning with the teacher’s starting times. The teacher’s thirty (30) consecutive minutes for duty-free lunch shall not include any minutes of travel time.

The total number of minutes for travel time will not be calculated as part of student contact time (i.e., not instructional minutes). * The following allocation of time will be used for traveling:

*Note: It is understood that middle school and high school schedules for traveling teachers will be adjusted by no more than one (1) class period less than a full load for travel time.

A teacher who is assigned to multiple building sites shall have the site where the teacher has the largest percentage of work assignment designated as a Homebase. When a teaching assignment is evenly divided between two or more buildings, the teacher shall declare a Homebase. Teachers shall attend faculty meetings and staff development days at their Homebase school. Exceptions to this provision may be made upon mutual agreements between teachers and administrator(s).

SECTION 16. OTHER TERMS AND CONDITIONS OF EMPLOYMENT

16.01 Supervision and Evaluation

A. **Basis for Evaluations** - Written evaluations based on classroom observation(s) and the assessment of professional performance as described in District’s teacher job description, shall be completed for all teachers based on the state’s Educator Effectiveness plan. [https://dpi.wi.gov/ee](https://dpi.wi.gov/ee) Teacher evaluations shall be conducted openly and with the full knowledge of the teacher.

B. **Right to Representation and Right of Rebuttal** - Whenever a teacher is requested to meet with an administrator or with the District, the teacher shall at all times be entitled to have a representative of his/her choice, present for any hearing, conference, or meeting regarding the teacher's professional performance. During all steps of the evaluation process, the teacher shall have the right to submit a written response to the observation or evaluation, and the response shall be attached to the evaluation documentation.
C. Frequency of Evaluation and Observation

i. Probationary teachers shall be in a “summary year” for evaluation purposes the first three (3) years of District employment under a continuing contract. Each probationary teacher shall be provided with one (1) formal, written observation and at least two (2) mini-observations. These observations will take place between September 15 and May 31st and the written evaluation will be completed prior to the end of the school year. If unsatisfactory performance is observed, the teacher shall receive written notice of concerns when they are identified and an unsatisfactory evaluation shall be communicated no later than April 1st. An unsatisfactory evaluation may result in non-renewal of the employment contract.

ii. Probationary teachers who were at one time District non-probationary teachers in good standing shall serve a two (2) year probationary period to include one (1) formal, written observation per year and two (2) mini-observations. These observations will take place between September 15 and May 31st and the written evaluation will be completed prior to the end of the school year.

iii. Non-probationary teachers shall receive a written evaluation at least once every three (3) years.

D. **Formal Observation Process** – Evaluator and teacher shall schedule a pre-observation conference, an observation date and time, and a post-observation conference. A conference between the evaluator (observer) and the teacher who has been observed shall be held within fifteen (15) working days after the teacher receives written feedback on the observation.

E. **Informal (Mini) Observation Process** – The evaluator shall conduct an unannounced, informal observation at a time of their choosing. Evaluator shall document observation evidence and provide a written summary of feedback to the teacher.

F. **Unsatisfactory Evaluation or Observation** - If a non-probationary teacher has an unsatisfactory evaluation or observation, the teacher will be notified in writing of the unsatisfactory evaluation or observation. The teacher (if a non-probationary teacher) and the evaluator (observer) will work together to develop a Plan of Improvement that will identify areas in need of improvement, strategies and resources to assist the teacher in improving, a timetable for improvement, priorities for most needed improvement, and further opportunities for evaluation or observation. See Section H below.
G. **Part-Time Teachers** - Movement through the evaluation sequence for part-time teachers and full time teachers on one (1) year, non-renewing contracts is separate from a teacher’s continuing contract status.

All part time and those full-time teachers on a one (1) year, non-renewing contract shall follow the three (3) year Observation/Evaluation sequence identified provided there has been no break in service. However, they shall continue to be considered probationary teachers for contract renewal purposes (e.g. Probation 1). If/when they obtain continuing contract status, they will begin the 3 year probationary cycle.

H. **Performance Improvement**

i. **Retention Without An Increase** - A teacher found to have unsatisfactory performance may be retained for one (1) year without an increase in pay. This shall not affect the teacher’s seniority in the District. Upon acceptable improvement, the teacher shall advance on the salary schedule as if no freeze had occurred.

ii. **Performance Improvement Procedure** - In the event a probationary teacher is notified in writing of unsatisfactory performance as noted on the written evaluation or observation, or if a teacher’s performance is found to be unsatisfactory by the District, the procedure described below will be followed:

   a. Minor issues will be addressed initially on a verbal basis between the teacher and supervisor.

   b. Major issues or persistent minor issues will be addressed in writing, as well as verbally. The teacher’s supervisor will provide the teacher with a written description of performance deficiencies and, in person, discuss the issue(s) with the teacher.

   c. Every effort will be made to identify clearly the nature of the problem and the recommendations for improvement. The administration will establish a reasonable timetable for compliance and the criteria for evaluation. The administration will schedule a future meeting to review the teacher’s performance.

   d. This procedure does not obligate the District to place on probation a teacher whose performance is considered to be unsatisfactory and shall not preclude taking other action
including, but not limited to, non-renewal within the year the teacher has been notified of unsatisfactory performance.

e. If the District places a teacher on probation, the potential consequences of this probationary status shall be communicated clearly in writing to the teacher within a reasonable time.

16.02 Teacher Child Rearing Leave of Absence
The District shall grant a leave of absence for child-rearing purposes without pay, to any teacher who is under contract, upon written request for such leave.

A. This child rearing leave is an additional benefit that the teacher has the option of requesting after the birth or adoption of a child. once a leave permitted by law (FMLA) has ended.

B. A teacher who wishes to take leave under this policy shall make application in writing to the District.

C. Once requested and approved, the leave begins after any leave permitted by law (e.g. FMLS) ends. Leave under this policy can only be used for the remaining portion of the school year in which a birth or adoption occurs, with the option to extend this child rearing leave for a period of one (1) additional full school year. Teachers who do not elect to take a child rearing leave in the year of the birth/adoption are not eligible for the provisions of the section at a later time.

D. The teacher on child-rearing leave shall notify Human Resources in writing by March 15th of his or her intent to return to active teaching duty for the ensuing school year.

E. A teacher who begins leave after March 15th of a school year shall have until April 15th to declare intent to return to duty for the ensuing school year.

F. A written or unwritten employment policy or practice which discriminates against employees or prospective employees because of pregnancy is in prima facie violation of the Wisconsin Fair Employment Practices Law.

G. Written or unwritten employment policies and practices involving matters such as the commencement and duration of leave, the availability of extensions, the accrual of seniority and other benefits and privileges, reinstatement, and payment under any health or temporary disability insurance or general leave plan, formal or informal, shall be applied to disability due to pregnancy or childbirth on the same terms and conditions as they are applied to other temporary disability. Such disabilities when caused
or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery there from are, for all job-related purposes, temporary disabilities and should be treated as such under any health or temporary disability insurance or general leave plan available in connection with employment. Where the termination of an employee who is temporarily disabled is caused by an employment policy under which insufficient or no leave is available, such a termination violates the law if it has a disparate impact on employees of one sex and is not justified by business necessity.

16.03 Other Teacher Leaves of Absence

A one year leave of absence may be granted when qualified replacements can be secured. Such leaves shall be requested in writing, shall be without pay, or under such conditions as the District may approve. Except for illness, generally four (4) years of local teaching experience and intent to return to a teaching assignment in the Verona Schools will be required. The teacher on leave shall notify the superintendent in writing by February 15th of his or her intent to return to active teaching duty for the ensuing school year.

A. Recoverable illness
B. Travel
C. Exchange teaching program
D. Scholarships
E. Advanced education
F. Explore career alternatives

Teachers may apply for a one-year extension to the above leaves of absence, but in no situation shall additional years be granted.

16.04 Reassignments and Transfers

A. The District has the right to reassign within a building and transfer teachers among buildings. When reassignments and transfers can be anticipated, the administration shall notify teachers in writing by April 15. If an involuntary reassignment or transfer becomes necessary after April 15, the teacher to be reassigned or transferred will be notified in writing within fourteen (14) calendar days subsequent to the decision, along with reasons for such reassignment and transfer. Whenever possible, the teacher to be reassigned or transferred shall be granted a private conference with the building principal. Such conference shall be held outside the hours when the teacher is assigned students.
Teachers, under continuing contracts who desire a change in academic teaching position for which they are currently licensed, or who desire to transfer to another building must submit a letter of interest to the contact person noted in the posting.

Teachers under continuing contracts who apply for open positions may be interviewed. If requests for transfer are denied, teachers will be notified within thirty (30) days and shall be given reasons for the denials.

B. When multiple reassignments and/or transfers are to be made in the District due to opening of new buildings or reorganization, only teachers under continuing contracts will be reassigned or transferred as follows:

i. **Voluntary Reassignment or Transfer** - Volunteers for the reassignments and/or transfers will first be sought District-wide. Volunteers from the school(s) or program(s) represented by the students to be moved or reorganized will receive priority in the process. Upon request, volunteers who are not granted a reassignment or transfer will be given a personal consultation with an administrator.

ii. **Involuntary Reassignment or Transfer** - The remaining positions will be filled through a stratified random drawing among full time professional staff on continuing contracts from the school(s) or program(s) represented by the students to be moved or reorganized. The drawing will be conducted by the District. Employees may attend. Professional staff names will be grouped into three categories by total teaching experience recognized by the District:
   
a. Zero through three years of experience
b. More than three through ten years of experience
c. More than ten years of experience

Staff to be involuntarily reassigned and/or transferred will be selected randomly within each category until all positions are filled. The District may decide which category to start with based on need. Teachers who have multiple certifications will not be reassigned or transferred into a grade or subject which they have not taught in the preceding five (5) years. Teachers may be transferred up to one grade level on either side of their current assignment provided they currently hold appropriate certification. In lieu of accepting an objectionable involuntary reassignment or transfer, teachers may inform the District that they will not contest their own layoff.
16.05 Duty Hours

Teachers are professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1)(L), Wis. Stats.

The hours per day for all teaching staff shall be eight (8) continuous hours, including a one-half (½) hour duty-free lunch period, except on Fridays and days preceding vacations, holidays and unpaid breaks, when teachers may leave after having supervised the departure of pupils, unless assigned to special projects or activities which require extra time.

16.06 Renewal and Non-Renewal of Contracts

A. Process: It is intended herein that the procedure for non-renewal of teacher contracts shall be in accordance with § 118.22, Wis. Stats.

B. Part-time Employees: Part-time employees are not covered by § 118.22, Wis. Stats. and, therefore, they should be so informed at the time of employment and so informed, in writing, on their individual contract. Upon receipt of a fourth consecutive one-year part-time contract of 65% or more, the District confers the right to a continuing contract with notification and non-renewal provisions as delineated in Wisconsin law and this Employee Handbook. Upon receipt of a third consecutive one-year contract of 1.0 FTE, a teacher on a temporary contract will have earned the right to a continuing contract with notification and lay-off provisions as delineated by Wisconsin law and this Employee Handbook. A full-time non-probationary teacher who moves to a part-time contract at the contract face percentage with notification and non-renewal provisions as delineated in Wisconsin law and this Employee Handbook.

C. Standard for Nonrenewal for Teachers:

i. Probationary Employee: A probationary teacher may be non-renewed during their probationary period for reasons that are not arbitrary or capricious, and such nonrenewal will not be subject to the grievance provisions of this Handbook or through the District’s Grievance Policy. Such nonrenewal shall be exclusively subject to the provisions of § 118.22, Wis. Stats.

ii. Non-Probationary Employee: After completing the probationary period, non-probationary teachers may be non-renewed as follows:

a. A non-probationary teacher who has not been placed on a Performance Improvement Plan (PIP) under the District’s evaluation procedures for at least two (2) full consecutive
semesters may only be non-renewed for good and sufficient reason.

b. A non-probationary teacher who has been placed on a Performance Improvement Plan under the District’s evaluation procedures for two (2) or more consecutive semesters may be non-renewed in the school year of or immediately following the PIP for reasons that are not arbitrary or capricious. This action shall be considered a termination for purposes of the District’s grievance procedure.

c. Notwithstanding “b” above, a nonrenewal shall not be deemed a “termination” under the District’s grievance procedure. Such nonrenewal shall be exclusively subject to the provisions of § 118.22, Wis. Stats.

16.07 Standards for Discipline and Termination

A probationary teacher may be disciplined for reasons that are not arbitrary or capricious and may be terminated for good and sufficient reason. “Good and sufficient reason” is defined as the following:

A. There is a factual basis for the discipline or termination: The factual basis must support a finding of employee conduct in which the District has a disciplinary or termination interest; and

B. Reasonableness of the penalty: The particular discipline or termination imposed by the District must not be unreasonable.

“Arbitrary and Capricious” is defined as not having a “rational connection between the facts established and the decision made.”

A non-probationary teacher may be disciplined or terminated for good and sufficient reason. Such discipline or termination shall be subject to the grievance procedure provisions of this Handbook.

No teacher may be employed or dismissed except by a majority vote of the full membership of the District. Nothing in this section prevents modification or termination of a contract by mutual agreement of the teacher and the District.

The District shall notify the teacher in writing of any alleged problems which could require discipline or discharge, indicate expected correction, and indicate a reasonable period of correction, unless the alleged problem is so serious as to require immediate disciplinary action or discharge.

A teacher may elect to have present a representative whenever requested to meet with the administration for the purpose of being reprimanded, warned or disciplined for any
infraction of rules or delinquency in professional performance. All information in the possession of the administration bearing on any disciplinary action will be made available to the teacher and to his/her representative at the teacher’s request.

16.08 Study
During the school year, moderate study for professional advancement will be encouraged. However, teachers should keep in mind that the work of the school and the necessity for good health on the part of the teacher are paramount. Accordingly, teachers should avoid overburdening themselves with professional study and other outside activities not related to the school program.

16.09 Breach of Contract and Liquidated Damages
Any teacher seeking release from his/her individual employment contract shall submit a written request to the Board and if approved, the teacher shall be subject to the liquidated damages specified in this section. No release from contract will be effective until approved by the Board and until the liquidated damages are paid. If the teacher does not pay the fee upon demand, the District shall have the option to withhold the fee from any monies due and owing teacher. A teacher who requests release from and/or breaches the individual employment contract after June 15 shall pay liquidated damages in the amount of $500. A teacher who requests release from and/or breaches the individual employment contract after August 1 shall pay liquidated damages in the amount of $1000. The amount of liquidated damages for a part-time teacher shall be pro-rated based on the percentage of the teacher’s individual employment contract. Damages may be waived or reduced by the Superintendent in hardship cases.

16.10 Tutoring
Teachers shall not tutor their own pupils for a fee during the school year. No tutoring for which a teacher receives a fee will be carried out in the school building. Employees are encouraged to refer to the District Policy 356 Tutoring Services and Rule 356 Rules Governing Staff Member Tutoring Activities.

16.11 Administratively-Called Meetings
Teachers may be required to attend administratively called meetings not to exceed three (3) hours per month beyond the work day defined in this Agreement. If the administratively-called meetings include I.E.P. meetings, then affected teachers may be required to attend up to four (4) hours per month beyond the work day. Any time beyond the three (3) hours (or four (4) hours if I.E.P. meetings are included) will be compensated pursuant to the teacher’s scheduled salary (not to include additive assignments and other types of added pay) calculated in whole hour increments. Administratively-called meetings shall include staff meetings, department meetings, team meetings, grade level meetings, I.E.P. meetings, and any other meetings beyond the regular work day called by an administrator.
16.12 Reduction in Force and Recall Procedure

A. This procedure shall apply when the District reduces the teaching staff. The District shall have the sole right to determine the teaching position or positions to be eliminated or reduced. After the District has determined which positions shall be eliminated or reduced, the following procedure shall be used:

B. The full or partial reduction of each teacher shall commence on the date that he or she completes the teaching contract for the current school year.

C. In the event the District anticipates that a reduction will be necessary for the next contract year, the teacher so affected will be notified through the non-renewal process described in Section 16.06.

D. The selection of teachers for positions to be reduced shall be made according to the following guidelines:

i. Step One - Normal attrition: Normal workforce attrition (i.e. employees resigning, retiring, in temporary employment, terminated pursuant to Section 16.07 or non-renewed pursuant to 16.06) will be relied upon to the extent possible.

ii. Step Two – Volunteers: In the event the teacher does volunteer, he or she shall be afforded all rights under this section. Volunteering is an annual decision and the employee who volunteers for reduction shall not be eligible for recall during the contract year when the reduction is made. When employment contracts are issued for the following school year, the District will assume that the employee is returning to the FTE level the employee held prior to volunteering unless the employee agrees to volunteer in lieu of layoff the next year. Insurance coverage and seniority will continue during the time an employee volunteers at the pro-rated amount consistent with the employee’s FTE status prior to volunteering. Volunteers will be treated as a District directed nonrenewal under this section of the Handbook.

E. If Steps 1 and 2 are insufficient to accomplish the desired reduction in staff, teachers shall have their positions reduced by the superintendent (e.g. “economic non-renewal”), as long as the teachers retained are certified and qualified for their positions. The superintendent shall apply the following factors in the order listed:

i. The teacher’s seniority in the District.

ii. The teacher’s total teaching experience, both within and outside the Verona Area School District.
iii. If two (2) or more teachers are tied at this point, the District shall determine which of those teachers shall be laid off by a random drawing, with a representative from both the District and the teachers (and their representatives, should they choose to invite them, present).

iv. "Seniority" for the purpose of this section shall be applied from date of hire (i.e. first contracted day) in the District. If two (2) or more teachers are tied at this point, the following tie-breakers shall be applied in the following order: Central office date stamp of receipt of signed Letter of Intent/Contract; and date of Board of education approval of contract offer.

Part-time teachers shall accrue seniority on a pro-rated basis, provided there has been no break in service. An approved leave of absence will not constitute a break in seniority. A position reduction will not constitute a break in seniority during any recall period.

F. "Certification" will be determined by current DPI certification in the District Office. It is the responsibility of the employees to have all of their certifications on file in the District Office.

G. "Qualified" is defined as meeting one or more of the following criteria as it applies to the position to be taught:

i. has a Masters degree; or

ii. has previously taught in the certification area and school grade level (e.g., elementary, middle, high school), within the past eight (8) years;

iii. has acquired six (6) credits in the certification area within the past five (5) years prior to commencing the position to be taught; or

iv. has acquired National Board of Professional Teaching Standards certification; or

v. has completed the Wisconsin Master Educator Portfolio

H. Recall

Teachers whose continuing contracts are non-renewed in whole or in part under the provisions of this section shall be offered in reverse order, vacant positions which they are certified to fill for a period of fifteen (15) months following the end of the school year they are teaching when the reduction occurs. Teachers who were previously assigned to full-time teaching positions shall be recalled to full-time teaching positions provided that such teachers shall have the option of accepting any part-time teaching position
that may exist without jeopardizing their recall status for any full-time position. No new or temporary (not to include substitutes) appointments shall be made by the District while there are teachers on the recall list with the seniority available who are qualified and certified to fill the vacancies. All benefits to which teachers were entitled at the time of their reduction, including accumulated sick leave, will be restored to teachers recalled under this provision upon their return to active employment and such teachers will be placed on the proper step of the salary schedule for the teacher’s current position according to the teacher’s experience and education. When teachers are eligible for recall, any ties in the recall process should be decided according to the tie-breaker procedure of this section.

Within 12 calendar days after a teacher receives a notice of re-employment, he or she must advise the District, in writing, that he or she accepts the position offered by such notice and will be able to commence employment on the date specified therein. Any notice shall be considered received when sent by registered letter, return receipt requested to the last known address of the teacher in question as shown on the District’s records.

It shall be the responsibility of each teacher who has been reduced to keep the District advised of his or her current whereabouts. Any and all re-employment rights granted to a teacher whose position has been reduced under this section shall terminate upon such teacher’s refusal to accept any full-time position for which he or she is certified that has been offered by the District. Failure to respond to notice of recall within the 12-day period shall be deemed a refusal.

I. Rights to Insurance Coverage - Teachers who are laid off shall be eligible to continue to participate in eligible insurance plans at the teacher’s expense to the extent permitted under the applicable provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

J. No teacher may be prevented from seeking and securing other employment during the period his or her position is reduced under this section.
16.13  **Job Sharing**

A. **Definition**

“Job Sharing” is hereby defined as a voluntary program whereby two (2) teachers on continuing contracts share one (1) full time equivalent position. Teachers considering a job share should not expect job sharing responsibilities to be limited to strict proration of duties. The unique nature of job sharing requires both teachers to perform certain additional duties.

B. **Application**

i. **Initial Application**

Eligible teachers who wish to be considered for job sharing as a team are to submit a joint application to the superintendent no later than February 1st for job sharing intended to be effective for the following school year. Application forms will be provided by the District.

ii. **Renewal**

Job sharing teachers who wish to continue their job sharing arrangement are to reapply every year by February 1st.

C. **Approval** - Requests for job sharing must be approved by the District prior to the commencement of any program. The District retains sole discretion with respect to granting applications for job sharing.

D. **Eligibility**

i. Only employees who have completed the probationary period will be considered for job sharing.

ii. Applicants must apply as a team.

iii. Teachers must be certified to teach the subject and/or grade levels involved in the shared job.
E. **Contract**  

i. All wages, insurance benefits, leave accrual, and all other benefits shall be pro-rated on the basis of the time worked as a percent of a full-time equivalent position.

ii. Once a job sharing position has been established, the renewal of the teachers' contracts for subsequent years will be at the percent of employment established in the job shared position, except as described later in this section or except as affected by a reduction as described in Section 16.12. Job sharing teachers will be required to return to full-time status or be reduced per Section 16.12 in the event the shared position is discontinued or if one of the participants in a shared job is unable to continue in this shared assignment or is reduced per Section 16.12.

iii. Job sharing teachers who are reduced per Section 16.12 shall retain all staff reduction rights. However, job sharing teachers waive the right to displace less senior full-time employees should the job sharer be required to return to full-time employment prior to the completion of the job-sharing assignment.

iv. Once a shared job has been established, a full-time employee with seniority may not displace teachers in the job share position.

F. **Assignments and Responsibilities**  

i. Job sharing teachers shall be assigned specific job responsibilities at the time the job-sharing contract is signed. A list of job responsibilities shall be appended to the individual contract and shall include, but not be limited to the following: a description of the job to be shared and the percent of full time for which the job sharing teacher is hired as well as the provisions related to benefits; the allocation of preparation time and planning responsibilities between the job sharing teachers; grade reporting requirements; faculty meeting and parent conference responsibilities; and special assignment and extra-duty assignments, if any.

ii. Any time necessary for the coordination of the teaching assignment responsibilities shall be performed on the job sharing teachers' own time and not on the District's. Both job sharing teachers are required to attend all parent/teacher conferences, special education meetings for individual students, faculty meetings, in-service/staff development activities, meetings scheduled for Late Start/Early Release, and other similar required staff meetings. In addition, both job-sharing teachers are required to participate in the proportional Flex Day activities consistent with the individual's percent of contract.
iii. In the event a job sharing teacher will be absent, the teacher who will be absent is responsible for contacting his or her job sharing partner to give the partner the right of first refusal to substitute at the regular substitute pay rate. After discussion with the partner, the teacher who will be absent will notify the District of the absence and whether or not a substitute will be required.

16.14 Mentoring Program

A. Program Establishment - The District has mentor positions to coach new staff and non-probationary teachers. Mentors shall be provided to all new staff in their first year of employment with the District. Based on the availability of funds, mentors may also be assigned to teachers in their 2nd year of District employment. Mentors may be provided to non-probationary teachers in cases of mutual agreement between the non-probationary teacher and the administration.

B. Role - The primary role of the mentor with the teacher who is being provided with mentoring (hereinafter the "mentee") is intended to promote the well-being and professional development of mentees by assisting and guiding the new staff to develop the capacity and confidence to make his or her own informed decisions, enrich his or her own knowledge, and sharpen his or her own abilities regarding teaching and learning. The parties agree that mentoring is not evaluating and that the relationship between mentor and mentee must be strictly confidential. The mentor will not be expected or required to evaluate the mentee.

C. Selection - Mentors will be selected by the administration and must agree to serve as mentors or they will not be assigned. Mentors will typically have five (5) years of teaching experience, demonstrate a commitment to professional growth, and be recognized for professional or teaching expertise. The employee will be given assistance in the new position and will be reviewed at approximately fifteen (15) work days and prior to the thirtieth (30th) workday in the position. If during such orientation period the employee fails to demonstrate that he/she can perform in the new position, he/she will be placed onto or returned to layoff status.

H. When a vacancy occurs while any employee(s) is (are) on layoff status, the District will send a letter to offer to recall the most senior qualified employee on layoff to that vacancy. This letter will be sent by certified mail.

I. A part-time employee may accept a position that is not comparable* in hours to the position from which he or she was laid off without losing his/her recall rights to a position with comparable* hours. Employees recalled to a lower paid classification will be placed according to Section 17.05.
The definition of “comparable” shall be as defined per Wisconsin Unemployment Compensation insurance guidelines. Specifically, work is considered reasonably similar if:

a. The work is of similar capacity (e.g., an individual who worked in a professional capacity will be working as a professional);

b. The gross weekly wage is more than 80% of the weekly wage earned in the prior academic year or term;

c. The number of hours the individual will be working is more than 80% of the average number of hours worked in the prior academic year or term;

d. The work involves substantially the same skill level and knowledge as the work performed in the prior academic year or term; and

e. In addition, for customary vacation periods and holiday recesses, the individual will have reasonable assurance of performing similar work in the period immediately following the vacation period or holiday recess in accordance with school District calendar.
PART IV – EXTRA CURRICULAR, COACHING AND SPECIAL ASSIGNMENTS
SECTION 31. EXTRA-CURRICULAR, COACHING AND SPECIAL ASSIGNMENTS

A. Employees shall assume responsibility for the supervision of the extra-curricular activities that are included in their letters of assignment. The contract shall include the title of the assignment and the total amount to be paid for the assignment.

B. Activity assignments will be offered to the individual who, in the sole discretion of the District, is the most qualified applicant. However, under no circumstances shall a Board member work as a coach, assistant coach, advisor, or assistant advisor to an extra-curricular activity (on either a paid or a volunteer basis).

C. The stipend or hourly wage for extra-curricular activities shall be specified in the letter of assignment.

D. The letter of assignment shall not be deemed a contract, and individuals holding extra-curricular positions are at-will employees.

31.02 Vacancies
A. Vacant athletic coaching positions must be posted internally for at least five (5) calendar days and may be posted externally concurrent with the internal posting. Employees must file a letter of interest with the Athletic Director to be considered for the position. Applicants may be interviewed.

B. All other positions contained herein may be filled by the overseeing administrator/supervisor at their discretion.

31.03 Payments
A. Payments for extra-curricular activities shall be made in accordance with District payroll procedures. See Part 1, Section 6.

B. See the District Internet under District Departments, Human Resources and Payroll, Salary Schedules, for the current Extra Curricular, Coaching and Special Assignment Salary Schedule.

31.04 Work Schedule
A. Extra-curricular, coaching and special assignments may be of interest to an employee whose regular position is not in this capacity (e.g. teacher, hourly support staff, etc.) Prior to accepting an extra-curricular, coaching or special assignment, the employee shall consult with the supervisor of his/her regular assignment to review any potential time conflicts.
B. In the event of a time conflict between the obligations of both positions, the supervisor of the regular position, supervisor of the extra-curricular, coaching or special assignment position and employee shall meet and discuss potential solutions with a goal of finding consensus on how to best proceed. Potential solutions include, but are not limited to:
1. be relieved from the time and work assignments of their regular assignment;
2. be relieved of the work time of their regular assignment but be expected to make up/complete all assigned work;
3. work a flexible schedule to make up time lost during his/her regular workday;
4. be required to re-schedule the extra-curricular activity (if appropriate);
5. complete some other reasonable action that the supervisor of the regular position deems necessary;
6. be not eligible for hire in the extra-curricular, coaching or special assignment; or
7. some combination of items 1-5 above or other agreed upon solutions.

C. In the absence of consensus, the supervisor of the regular position shall determine the conditions under which an employee may participate in an extra-curricular, coaching or special assignment position. The employee shall have the right to appeal pursuant to the VASD Board Policy 525, General Employee Concerns.

31.05 Educational Leadership Levels

When determining the manner and frequency of evaluations, the supervisor may take into account such factors as (1) the individual’s experience with the particular activity; (2) input received from participants, parents, and other stakeholders; (3) the extent to which an individual needs additional guidance or oversight; and (4) any other consideration that a supervisor, in his/her reasonable discretion, deems appropriate.
31.07 Volunteers

A. They will not be eligible for salary/wages, stipend, or benefits;

B. They will be covered by the District’s general liability insurance policy while acting as a volunteer coach for the District. However, there is no coverage under the District’s liability insurance policy for claims made against volunteers by other volunteers or District employees;

C. They will be responsible for their own personal injuries (i.e., ineligible for worker’s compensation);

D. They must consent to a background check.

E. They must follow all District activity and athletic policies and procedures and other District policies as applicable;

F. They accept direct and indirect supervision of the head coach; and,

G. They may be removed from volunteering at any time with or without cause.
PART IV - SUBSTITUTE EMPLOYEES
SECTION 32. PROCEDURES

32.01 Accessing the Substitute Placement System
You may access the automated substitute placement system online or by phone. Specific access instructions and credentials are issued to substitute staff upon hire. Please contact Human Resources for more information.

32.02 Assignments
The sub placement system may call you between 5:00 a.m. and 12:00 p.m. for same day assignments and between 3:00 p.m. and 10:00 p.m. for next day/future assignments. You are able to search for available substitute assignments in the system online or by phone. In addition, there are several web and mobile alert applications available for purchase by you to assist you with obtaining sub jobs.

32.03 Canceling an Assignment
If you are unable to report to an accepted assignment due to illness or emergency, you must immediately cancel that assignment in the substitute placement system by phone or online so that a new substitute can be arranged. Late notice cancellations are difficult to refill, so please allow as much notice as possible.

It is not acceptable to cancel an assignment last-minute to accept a position with another district. Repeated assignment cancellations will result in discipline and/or discharge.

32.04 Declining an Assignment
A substitute teacher may refuse an automated or personal daily call. The District may, at its sole discretion, unilaterally remove individuals from the substitute teacher list if the substitute demonstrates a pattern or practice of declining assignments.

32.05 Dismissal/Removal from Substitute List
Substitute teachers are considered casual, at-will employees. As such, substitute teachers may be disciplined or discharged for any reason.

32.06 Arriving at School
Please wear your VASD Staff photo ID badge on all assignments. The school office is your first stop, where you will sign in on the Substitute Log. This is important as these times will be verified for you to be paid accurately for your assignment. Substitutes for all High School assignments must report to the office in the K-Wing at the High School to sign in and pick up instructions.

32.07 Arrival Time
The school district asks that substitute teachers report to the schools thirty minutes prior to the start of the school day. The “start time” recorded in the sub placement system is your “arrival time”.
32.08 **Departing Time**
You are expected to continue your professional duties until the end of the teachers’ contracted workday. Please check with the office secretary upon sign-in for specifics regarding the departure time. The school district expects all substitute teachers to remain at school until all students are dismissed, rooms have been picked up, papers corrected if needed and appropriate communication has been written to the teacher. You must report to the office and sign-out in the Substitute Log before departing.

32.09 **Other Duties**
If a teacher’s schedule indicates a prep period, you may be asked to cover another classroom during those times. You may also be asked to help in the office, LMC, Resource Room, etc., during these times. Please check with the school office staff.

32.10 **Parking**
Parking is available at each school. You are required to display a parking pass at Verona Area High School. Please note that you will receive a parking violation, for which you are personally responsible, if you do not display a parking pass while on assignment at Verona Area High School.

32.11 **Confidentiality**
All information, written and oral, about student behavior or achievement is considered confidential and should not be shared with any person not directly involved in the student’s education. Care should be taken when discussing student behavior or achievement in the hall, lounge, and in public places to assure confidentiality is not breached.

32.12 **Cell Phone**
Personal cell phone usage while students are present is prohibited.

32.13 **Internet**
Personal Internet usage while students are present is prohibited.

32.14 **Job Performance**
The District typically follows a “three strikes and you’re out” rule with substitute staff. In other words, if three different locations ask that you not return to their site to sub, your employment will be terminated. You will be notified in writing of an exclusion from any building or assignment. Please note, however, that the District reserves the right to end your employment with the District at any time depending on the concern reported.

32.15 **Continuing Employment**
The District will carry over your employment to the following school year. If you have any change of status, phone number, address, or are no longer available to substitute, please notify Human Resources.
32.16  **Pay Rate**
Certified substitute teachers will receive a full day of pay for full day assignments (7 1/2 hour working day plus a 30-minute duty-free lunch for a total of 8 hours). Pay for partial day assignments will pro-rated to the nearest quarter hour based on percentage of full day worked. Support staff substitutes are paid on an hourly basis rounded to the nearest quarter hour. Please refer to your substitute materials and the District website under District Departments/Human Resources/Salary Schedules for specific wage rate information.

32.17  **Mileage**
Substitute teachers assigned and working for the District on the same day at more than one school or work location shall be reimbursed mileage for the use of their personal automobile in traveling from one District work site to another.

32.18  **Communication**
If you have any comments, suggestions, concerns, etc., please contact the Substitute Placement Coordinator, the Building Principal, or the Director of Human Resources.

**SECTION 33. LONG TERM SUBSTITUTES**

A.  A long-term substitute is a person we expect to be in a position for longer than 20 school days for an absent teacher.

B.  Long-term substitutes are paid at the regular substitute rate until they have completed **20 consecutive school days** for the absent teacher.

C.  After 20 consecutive school days, the pay changes to the base teacher salary daily rate and the substitute is paid retroactive back to the first day of the assignment. Missing a day of work after the pay has been increased reduces the pay to the starting rate until the long-term substitute again reaches the 20 consecutive days.

D.  The daily pay rate shall be considered full compensation for completing the absent teacher’s regular duties including, but not limited to, participating in administratively called meetings, parent/student conferences and communications, grading, and classroom planning/preparation. However, long-term substitutes may submit a time sheet for hours worked at school-wide parent-teacher conferences.

E.  Long-term substitutes must use the substitute placement system to report their own absences.
F. Long-term substitutes are not eligible for benefits except as mandated by the Affordable Care Act and are not allowed to purchase benefits per the insurance company’s rules and regulations.

G. Long-term substitutes do not earn general leave days. If they are absent for any reason, it is an unpaid day.

H. Long-term substitutes will be provided district email and network access.

SECTION 34. POSITION REQUIREMENTS

A. To be eligible to substitute with the Verona Area School District, you will need to have the following forms on file with the Human Resources Department:

i. Employment Eligibility Verification (I-9 form) including appropriate identification

ii. W-4 (federal) form and WT-4 (state) form

iii. Satisfactory pre-employment physical and TB screening results

iv. Completed WECAN application

v. Satisfactory background check results

vi. Employee Basic Information Sheet

vii. Direct Deposit Application

B. Those wishing to substitute teach must also provide the following:

i. **Short-term Substitutes** (less than twenty consecutive days per assignment) may teach in any subject, at any grade level provided they are licensed to teach in Wisconsin or have completed the appropriate substitute teaching training required by DPI.

ii. **Long Term Substitutes** (working twenty or more consecutive days per assignment) may only be employed in the subject and/or grade level of their license. At the request of the district, provisional licensure may be obtained by applying to the Department of Public Instruction on the appropriate form. The cost of the provisional license is the responsibility of the substitute teacher.
SECTION 35. JOB RESPONSIBILITIES

35.01 Before Class
A. Report to the building’s Main Office and sign-in in the Substitute Log. Substitutes for all high school assignments must report to the office in the K-Wing for sign-in procedures. Substitute Teacher Folders will be available in each classroom.

B. Preview the daily plans, class schedules and seating chart(s), which are left on the teacher’s desk in a folder labeled Substitute Teacher. Be sure to have reviewed all file attachments within the substitute placement system for each assignment. If the lesson plans call for special materials, the office personnel will help you acquire them.

C. If no plans are provided, consult with the Unit/Team/Department Head first and then the Principal for advice about your best course of action – which may be to use a lesson and/or activities you have developed for such emergencies.

D. Follow all policies and procedures as established for regular staff members and students.

E. Notify the building administration IMMEDIATELY if problems arise.

F. Review the Substitute Teacher Folder before class so you will be aware of:
   i. Special information you will need concerning pupils’ schedules;
   ii. General information about the school’s policies/procedures;
   iii. Any forms you might need during the day (e.g. illness form, referral to the office, etc.), forms can be found in the teacher’s desk or school office;
   iv. Names of special resources at that school (e.g. names of regular teacher’s teammates);
   v. Special health, allergy, or dietary information about pupil needs.

35.02 During Class
A. Write your name on the chalkboard and pronounce it for the students so they can use it when addressing you.

B. Check attendance first so you can send the attendance report to the office promptly. Because each school does this differently, ask another teacher
about proper reporting procedures the first time you substitute at a particular school.

C. Briefly observe students for signs of illness or suspected illness. If you conclude a student may be ill, refer him or her to the school health office.

D. Follow the teacher's written plans as much as possible.

E. If you feel it is necessary to make any changes in the prepared lesson plan, leave notes for the regular teacher about the changes you made, including an explanation about why the changes were necessary.

F. Maintain a safe, controlled learning environment for all students. Notify the building administration IMMEDIATELY if help is needed.

G. Physical force, profanity, or derogatory remarks are NEVER to be used to discipline, motivate, or control students.

35.03 After Class (or during free time)

A. Check all student work completed during the day, label and organize the work for the regular teacher's review and provide a written summary of the day's activities for teacher.

B. If you assigned any work that was beyond the provided lesson plan – or had to develop work or assignments because no lesson plan was provided, please leave relevant notes and explanations for the regular teacher along with graded papers or projects.

C. Return any materials or equipment used during the day to their proper place.

D. Report to the office and sign out in the Substitute Log before leaving at the end of the day. Talk with the building administrator, if appropriate.

SECTION 36. HELPFUL HINTS

A. Quickly learn and use the students' names; try to relate to them as individuals.

B. Begin the day firmly. Students need to sense that you can and will control the situation. Once they know that, you can use humor and enthusiasm without risking that the class will get out of control.

C. Be positive. Try to provide as many students as possible with opportunities to succeed – and to receive praise for succeeding!
D. Keep students on task – and keep activities moving. Use lesson plans and have a game or activity in mind to make the day interesting. Try to involve students who appear to be uninterested. Try to find ways to motivate them.

E. Move around the classroom – proximity is an important classroom management tool.

F. Should a student persist in disrupting the class – after you have made attempts to get him/her back on task or involved in an activity – send him or her to the office so the entire class won’t lose out on the day.

G. Check the teacher’s mailbox for notices or communications that demand immediate release or attention.

H. Secure doors, windows, and turn off lights when leaving the room.

Impartial Hearing Officer Selection Procedure
Verona Area School District
Originally approved by the Board September 19, 2011
Revised Below for first reading on March 10, 2012 and for 2nd reading on April 22nd

In the event an employee grievance related to employee discipline, termination or workplace safety proceeds to a hearing before an Impartial Hearing Officer (IHO), the Superintendent or designee shall identify impartial hearing officer consistent with the following minimum requirements:

1. The IHO shall be 1) a current or former school administrator, provided the person demonstrates to the satisfaction of the Superintendent sufficient familiarity with the procedures for conducting a fair and impartial hearing; or 2) such other individuals deemed qualified by the School Board provided that the Board, upon recommendation by the Superintendent, affirmatively approves such individual’s alternative qualifications prior to the person serving as a hearing officer. No more than five (5) IHO’s shall be used at any one time, with the following WERC arbitrators included: William Houlihan and Stuart Levitan.

2. The IHO shall not represent the District in any other capacity.

3. The hearing officer shall not be an employee of the District.

4. Due to their background and experience, IHO's may be identified based on their suitability to hear grievances over particular issues. For example, an individual may be deemed well-qualified to hear a grievance over a “workplace safety” issue, or perhaps well-suited for grievances other than a grievance over a workplace safety issue.

5. The IHO assigned to any pending grievance must be available to hear the case and render a decision in a timely manner. No more than five (5) IHO’s may be in the pool at any one time. The employee and District shall each have the ability to strike one name from the IHO pool. The selected IHO will be randomly drawn from a hat from the remaining IHOs, with the employee drawing the name in the presence of the District.
APPENDIX E:  
Emergency Sick Leave Bank Procedures – Certified Staff

A Certified Staff Sick Leave Bank (CSSLB) has been created under the following terms:

A. Donation Process
1. Any salaried staff member whose position requires DPI certification is considered a “teacher” for purposes of the CSSLB. Any teacher may choose to donate upon request from Human Resources. The bank shall have a maximum of 500 full-time days (e.g. 7.5 hours per day x 500 days = 3,750 hours maximum).

2. Up to one (1) day of general leave may be donated each time a donation request is announced to staff. Teachers who elect to donate must provide written authorization. The leave will be taken from the employee’s personal leave allotment and placed in the CSSLB in the school year the donation request is authorized.

3. Teachers whose contract assignment is less than full time and elect to donate will have their donation pro-rated based on their contract FTE.

4. If there are more teachers offering to donate a day than days needed to reach the CSSLB maximum, the donation will be taken on an equal, pro-rated basis from each teacher. For example, if 100 teachers offer to donate a day and only 50 days are needed, each teacher will have ½ day of general leave deducted. Part time teachers would first have their FTE pro-ration calculated, then the overall pro-ration applied.

5. Teachers who are new to the District are exempt from this requirement until such time that a new donation request for CCSLB days is made.

6. Teacher donations to the CSSLB bank are irrevocable once authorized for donation and may not be withdrawn from the CSSLB except through an approved, qualifying request process.

B. Eligibility Criteria
1. Days must be available in the CSSLB.

2. Union membership/non-membership shall not be used as an eligibility criterion.

3. A teacher must:
   a. have contributed to the CSSLB during the last time a donation request was announced to staff (except new teachers as noted above).
   b. have exhausted his/her individual general leave and personal day allotment, or will have exhausted them by the time they begin using CCSLB days.
c. be experiencing a hardship situation involving a serious medical condition of 
   the employee, their spouse, dependents, and/or any other individual with 
   whom the employee may be living.

d. agree that they shall not be eligible to receive more than a total of one 
   hundred (100) days during the teacher’s employment in the district.

e. agree that any CCSLB days allocated to the teacher but not used for a 
   qualifying condition will be returned to the CCSLB.

4. Teachers (or someone authorized to act on behalf of the teacher) will complete a 
   CCSLB Application Form and submit it to the Chair of the CCSLB Review Committee.

C. Review and Approval Process

1. The CCSLB Review Committee shall be comprised of the following
   A. The duly elected Verona Area Education Association Grievance Chair 
      shall serve as the Chair of the CCSLB.
   B. The Chair shall appoint at least two other teachers to serve on the 
      CCSLB Committee.

2. The Committee may waive the 100 day lifetime maximum at its discretion for 
   hardship situations.

3. If the Committee denies a request, an appeal to the Director of Human Resources 
   may be made. The decision of the Director may be appealed to the Superintendent 
   of Schools.

D. Other

1. If a teacher has a workplace injury and is receiving Worker’s Compensation 
   payments (typically paid at 90% of salary), the teacher may request and receive up 
   to 100 days at 10% of their FTE level.

2. If a teacher receives days from the CCSLB and does not use all granted days, the days 
   must be returned to the CCSLB.

3. A retiring teacher may elect to donate up to 10 of their accumulated general leave 
   days in their year of retirement. This donation is not subject to the 500 day CCSLB 
   maximum limit.

4. Unallocated days in the CCSLB at the end of the school year will be carried over and 
   accumulated to the next year.
APPENDIX F:
Emergency Sick Leave Bank Procedures – Hourly Staff

An Hourly Staff Sick Leave Bank (HSSLB) has been created under the following terms:

A. Eligibility - All Employees (full-time and part-time) identified as Hourly Support Staff in the VASD Employee Handbook must have hours credited to the Hourly Support Staff Sick Leave Bank (HSSLB) at the most recent donation opportunity (i.e. May 1 of the previous year - see deposit requirement of Section C below) to be eligible to make an HSSLB withdrawal request. This eligibility requirement may be waived by the HSSLB Committee if fifty percent (50) of the general leave utilized by the employee in the year of the donation request was used for illness of self or family member, maternity/paternity/adoption, dental or medical appointment(s), funeral of relative/friend and bereavement for death. New employees are exempt from this requirement until such time that a new donation request for HSSLB days is generated by Human Resources. Union membership/non-membership is not used as an eligibility criterion.

B. Administration - The HSSLB Committee shall be comprised of a Chair and at least two other hourly support staff. The duly elected Verona Education Support Personnel Association Representative shall serve as the chair of the HSSSLB. The Chair shall appoint at least two other hourly support personnel to serve on the committee. The HSSLB Committee will not discriminate on the basis of race, color, creed, religion, sex or sexual orientation, age, national origin, ancestry, disability, marital status, political affiliation, genetic information, citizenship status, military service, arrest or conviction record, or any other basis defined by state and federal laws and regulations.

C. Deposits - The sick leave bank maximum is 500 days. In the event the bank has fewer than that number of days as of January 1st, a HSSLB donation form will be sent by Human Resources to Hourly Support Staff Employees in the spring of the year (with a goal of May 1st). Returning this form to Human Resources indicates an employee voluntarily contributes up to one (1) general leave day to the HSSLB. One (1) general leave day equals the number of daily hours worked as per the employee’s District Notice of Assignment for that year (e.g. 8 hours for a 1.0 FTE/12 month employee or 7.5 hours for a 1.0 FTE/10 month employee). The donated day is deducted from the employee’s accumulated general leave account in the school year the donation request is authorized.

If there are more employees offering to donate a day than days needed to reach the HSSSLB maximum, the donation will be taken on an equal, pro-rated basis from each employee. For example, if 100 employees offer to donate a day and only 50 days are needed, each employee will have ½ day of general leave deducted. Part time employees would first have their FTE pro-ration calculated, then the overall pro-
ration applied. Newer employees (service years 1 through 4) who have their general leave allocation prorated may donate from their "banked" days. Unallocated days in the HSSLB at the end of the school year will be carried over and accumulated to the next year. In the unlikely event the bank runs out of days during the school year, an additional request for donations in a school year may be generated by Human Resources.

D. **Withdrawal** – The HSSLB is intended to provide additional paid time off for personal or immediate family emergency situations when Hourly Support Staff have exhausted all available paid time off including general leave and vacation. General Leave time may only be used for reasons designated in the Employee Handbook. Available paid time off does not include “banked” days for newer employees, who cannot access those days until the fifth service year. If an employee has a workplace injury and is receiving Worker’s Compensation payments (typically paid at \( \frac{2}{3} \) of salary), the employee may request and receive up to 100 days at \( \frac{1}{3} \) of the daily hours worked. Withdrawals are granted at the discretion of the Committee, and may require a historical summary of general leave usage, and verifiable documentation from a licensed health-care professional for medical situations. All information submitted will be kept confidential by the Committee. Requests must be written using the HSSLB Application Form and submitted to HR. If eligible for withdrawal, Human Resources will forward requests to the committee for review. Applicants may not receive more than the maximum lifetime total of one hundred (100) HSSLB days. The committee may waive the 100 day lifetime maximum at its discretion for hardship situations. The Committee will meet within a timely manner of receipt of the application and render a decision. Any granted HSSLB days that remain unused, must be returned to the HSSLB.

E. **Appeal** - If a request is denied by the HSSLB committee, an appeal to the Director of Human Resources may be made. The decision of the Director may be appealed to the Superintendent of Schools, whose decision shall be final.
