

PSAT Registration

Posted on 08/02/2021

PSAT REGISTRATION

The PSAT/NMSQT will be offered to sophomore and junior students on the morning of **Saturday, October 16th at Verona Area High School**. The PSAT/NMSQT is an **optional test** and the fee to take the test is \$30. Fee waivers will be available to **11th grade** students who qualify upon request.

The PSAT/NMSQT is the only qualifying test for National Merit Scholarships and recognition programs. Only scores posted by **juniors** qualify for National Merit.

Students may choose to take the PSAT/NMSQT for the following reasons:

- + Prepare for the SAT
- + Receive information from colleges
- + Help assess academic skills necessary for college-level work
- + Enter competitions for scholarships
- + Begin college and career planning

The PSAT/NMSQT is a college preparatory test that uses a similar format and scoring system as the SAT. The SAT is an entrance exam used for admissions at some colleges. The PSAT/NMSQT is shorter than the SAT and is designed for students in Grade 11 who have finished high school Geometry. Scores from the PSAT/NMSQT are **not** used in the college admissions process, rather they serve as a preliminary or practice opportunity. Most colleges, including colleges within the UW-System, will accept either scores from the ACT or the SAT.

If you would like to participate in this optional test and potentially qualify for National Merit status as a senior, please SAVE THE DATE of Saturday, October 16th on your calendar, and use the following link to register (www.TotalRegistration.net/PSAT/502330). Registration is open now until 11:59 PM on Wednesday, September 8th. A \$10 late fee will be applied to registrations after this date. No registrations will be accepted after **11:59 PM ON TUESDAY, SEPTEMBER 14TH**, so please register soon.
