VERONA AREA
SCHOOL DISTRICT

Every Student MUST Be Successful!

The Verona Area School District is working with all district schools to ensure that:

Each student has access to the resources and educational rigor they NEED, at the right moment in their education, regardless of race, gender, ethnicity, ability, language, family background, or family income.

BALANCED LEARNING

ACADEMICS

With the expert instruction of teachers, students develop critical thinking skills needed to succeed in a university setting or life. A balance of core curriculum, arts and athletics allow students to explore many new ideas and pursuits.

STUDENT ACTIVITIES

Ample opportunities exist for learning to extend beyond the classroom through student activities. Joining clubs and teams provides a challenge to both the mind and body, enabling students to become more well-rounded individuals with a focus on a healthy lifestyle.
